Appendix	
• Financial Policies	158
• Assessing Data	159
• Fee Schedule	160
• Glossary	161-164

HILLSDALE

MICHIGAN

WELCOME TO THE CITY OF HILLSDALE

INTRODUCTION

Hillsdale, Michigan was founded in 1835 and incorporated as a City in 1869. Since 1844, it has been the county seat of Hillsdale County and currently has a population of approximately 8,300 people. The City is situated in the lush, wooded hills of south-central Michigan where the landscape is dotted with numerous lakes and rivers, suitable for fishing, boating, and other recreational activities. Close to the Ohio/Indiana border, Hillsdale is located within convenient driving time to Lansing, Ann Arbor, and Detroit, Michigan along with Toledo, Ohio and Fort Wayne, Indiana. The City is home to nationally recognized Hillsdale College, Hillsdale Hospital, the Hillsdale County Fair and many other entertainment events. For over a century the City has prided itself on its quantity and quality of manufacturing output, but, like other areas of country, much of this production has moved to overseas locations such as China and Mexico. While some of the manufacturing is now returning, Hillsdale also anticipates success as a highly affordable and livable community, with bountiful natural resources, arts, recreation and high speed optic fiber allowing technology and telecommuting in the workplace.

Hillsdale is a home-rule city and is administered by a council/manager form of government. The Mayor is elected at-large, while councilpersons represent their respective wards. The City Manager is the chief administrative officer and is a contracted employee hired by City Council. The Director of Public Safety is also appointed directly by City Council. All other city employees are hired by the City Manager with the exception of the Board of Public Utilities (BPU) Director who is appointed by the BPU Board and the City Manager.

According to City Charter, the budget is required to be adopted by the first Council meeting in June of the preceding fiscal year which runs July 1st through June 30th. Property taxes and State revenue sharing are the City's largest revenue sources. Grants and fees are also received from a variety of sources. The City provides a full array of services including police, fire, trash pick-up and recycling, planning, assessing, library services, economic development incentives and recreation. Over and above these services, the City also owns its own water, sewer and electric utility, a newly expanded airport and a certified Manufacturing and Technology park.

ECONOMIC PROFILE

The single largest revenue source for the City government is property taxes. Residential property accounts for approximately 56% of the City's taxable valuation, with over 3,000 total housing units. The City maintains an adequate mix of single-family and multi-family units.

State revenue sharing, payments in lieu of taxes (PILOT), and franchise fees round out the other major sources of revenue received by the City. State revenue sharing has been reduced and is budgeted at \$895,000, or about 19% of total general fund revenues. The City receives 6% of gross revenues generated by BPU from the sale of water, sewer and electric utilities, amounting to approximately 10% of general fund revenues. Four local apartment complexes also contribute to revenue through PILOT payments. Hilltop Apartments pays 10% of its rental revenues; Hillsdale Place pays 4% of its rental revenues (but not less than \$25,000.00); Greenwood Village pays 10% of rental revenues; and Center City pays 10% of rental revenues for the current year. Comcast cable television pays approximately \$81,000 in franchise fees to the City annually.

Industrial and commercial entities compose the other half of the City's tax base. Hillsdale has a healthy mix of commercial enterprises that meet the shopping needs of its residents. Businesses are located in its traditional commercial downtown which is located on the National Register of Historic Places in its entirety. Professional services are provided to meet the needs of the Hillsdale County courts along with the needs for medical staff at Hillsdale Hospital. Other commercial enterprises are located throughout the City, but especially along the M-99 corridor north and south.

Hillsdale is uniquely capable of hosting high technology business. Our 400 acre Manufacturing and Technology Park is centrally located and has excellent fiber connectivity. We have recently been connected to the Merit REACH fiber optic network which provides 72 strands of high speed fiber connectivity between Chicago and Cleveland and all points east and west. In addition, Hillsdale is connected to 96 strands of high speed fiber south through Ohio. Hillsdale offers triple redundancy in a low cost, safe environment. Electricity is provided by our municipally owned and operated Board of Public Utilities which has sole authority to negotiate competitive rates and can generate its own back-up power. There is a second power source within one-half mile of the Hillsdale Manufacturing and Technology Park which can supply back-up electrical support. With 200 acres of vacant, buildable land, free of environmental contamination, existing utilities, zoned Light Industrial with a Technology Overlay, Hillsdale is ready to host high technology business and industry.

Hillsdale has lost a large segment of its manufacturing job base over the last thirty years as area companies have gone out of business, moved, consolidated and invested in automated equipment. While this investment in capital has raised productivity, its contribution to job growth has been lower than in previous periods. Recent legislation that exempts qualified manufacturing personal property from ad valorem property taxes in Michigan has the effect of reducing property tax revenue from these manufacturers in the City. It is important to note that six of the top ten largest employers in the City of Hillsdale are non-profit institutions that are generally tax exempt. Please see the table below.

LARGEST EMPLOYERS

LARGEST TAX PAYERS

Employer	Principal Product or Services	Approximate Number of Employees
Hillsdale College	Private Education	741
Hillsdale Hospital	Hospital	453
Hillsdale County Medical Care Facility	Nursing Home Facility	293
Hillsdale County	Government	173
Hillsdale Community Schools	Public Education	165
Paragon Metals	Precision Engineering & Manufacturing	150
Bob Evans Farms	Meat processing	133
County National Bank	Financial planning & services	125
Kroger Company	Grocery/Pharmacy, Consumer Retail	120
Hillsdale Intermediate School District	Special Education & Vocational training	100

Taxpayer Name	Principal Product or Service	2018 Tentative Taxable Value
BEF Foods	Pork Processing	3,830,600
Essex Specialty Products	Manufacturing/OE M	2,373,761
Kroger Co of Michigan	Retail grocery & gas	1,567,300
Precision Gage, LLC	Manufacturing/OE M	1,523,537
Surmac Investments, LLC	Commercial Real Estate/Shopping Center	1,516,400
Mechanic Street Properties, LLC	Industrial Real Estate	1,408,268
Michigan Gas Utilities Corp	Natural Gas Utility	1,177,785
Hillsdale Capitol, LLC	Commercial Real Estate/Shopping Center	1,101,219
Beacon Hill Preservation LDHA LP	Apartments	1,037,811
Hallett Street Professional Development Company, LLC	Commercial Real Estate/Medical Offices	952,615

The City's Board of Public Utilities (BPU) operates the water, sanitary sewer/wastewater treatment and electric power supply/distribution systems within the City. BPU has 50 megawatts of electrical capacity with internal distribution through a 13.2 kV primary line to any secondary voltage required. Electricity is provided in a looped system rated 99.9% reliable. BPU has also received the American Public Power Provider Gold Award. Water is provided through 12-inch water mains with 70 psi from six wells capable of delivering 3.5 MGD. Sewage is collected in an 8-inch main to an activated sludge treatment facility which is currently undergoing a major upgrade financed through an \$9.5 million bond.

Michigan Gas Utilities is the City's natural gas utility provider. Land-line telephone service is available through AT&T, Comcast, Frontier Communications and several other smaller providers while cell phone service is provided by many national and regional carriers such as AT&T, Verizon and Sprint. Rail service for freight is provided by Indiana Northeastern Railroad connecting with Norfolk Southern.

Hillsdale is accessed by Michigan State Highway M-99 running directly through town mostly in a north/south direction. US-12 runs east and west approximately five miles to the north of the City; Interstate 94 runs east/west twenty-five miles to the north and U.S. 127 runs north/south approximately fifteen miles to the east. The Ohio and Indiana toll roads (I-80/90) are approximately 20 miles to the south. The City operates an on-demand transit service called Dial-A-Ride, which can provide rides to and from any two points within the City boundaries. Dial-A-Ride maintains a 4-vehicle fleet of buses and operates between 7:15 a.m. and 4:15 p.m., Monday through Friday with an hour closure for lunches. Three buses operate daily, each of which has two wheelchair seats, and approximately 14 regular seats.

The City has recently partnered with Key Opportunities to receive a \$35,000 grant from MDOT to study Mobility Management. Mobility Management is a process of managing a coordinated community-wide transportation service network comprised of the operations and infrastructures of multiple trip providers in partnership with each other. The project is focused on individual needs, designing and promoting transit oriented developments, livable cities and energy-sustainable communities, improving the information available about those services and making visible improvements to the effectiveness, efficiency, and quality of the travel services being delivered.

The Hillsdale Municipal Airport is a state-licensed "Public Use-General Utility Airport". The runway was recently reconstructed and expanded to 5000 feet by 100 feet, with a new concrete apron completed in 2017. The crowned and grooved construction offers superior drainage for excellent braking/steering characteristics and the weight-bearing capacity rating has been increased to the "Gulfstream" category of business aircraft. The Hillsdale Municipal Airport now offers aircraft rental and flight instruction. Avfuel is sold on a 24-hour basis. Complementary facilities for flight crews help expedite arrivals and departures. Future development includes a new terminal building/parking area, corporate hangars, and full-length taxiway

Hillsdale Hospital, a technologically-advanced healthcare facility, began as a humble sanitarium in 1915. It has operated as a hospital since 1920 and now has over 400 employees, with a staff of 93 physician members and 32 health professionals. Hillsdale Hospital has 47 acute care beds, 39 skilled nursing facility beds and the 10-bed Dempster W. Muffitt Center for Psychiatric Care. In 2013 the MacRitchie North Wing was opened featuring 19 additional beds for the Center's Skilled Nursing Unit and a ground floor dedicated to the hospital's Obstetrics Department and Birthing Center.

Hillsdale Hospital provides advanced health care which includes utilizing a 64-slice CT scanner and magnetic resonance imaging, high-tech critical care and a twenty-four hour physician staffed emergency department, a modern surgery department, including four surgical suites and an ophthalmology unit. The third floor is dedicated to the Hillsdale Center for Joint Replacement with private suites for orthopedic patients as well as a sleep lab diagnostic center. In addition, Hillsdale Hospital has a large Home Care Department, Home Oxygen and Infusion Chemotherapy Center. The Hospital has continued to expand their physical plant, service and expertise to meet the needs of their patients.

There are also numerous school choice options in Hillsdale. The Hillsdale Community Schools District provides comprehensive programs for pre-school children, K-12 students, college dual-enrollments, and adult education programs. The school district educates approximately 1,375 students with an average class size of 100 students per grade level in K-12. The building configuration includes the Bailey Early Childhood Center for pre-school programs with half-day and full-day options. The school's GSRP classrooms have the highest rating of 5 Stars for quality review. Gier Elementary School provides K-4th grade instruction. This building had a remodeling project completed in the fall of 2015 that added four classrooms and a new gymnasium. The school has an after-school enrichment program that includes a very successful Science Olympiad team. Davis Middle School serves students in 5th – 8th grades. In February 2017, the middle school was awarded two Reward School medals for academic accomplishments from the state of Michigan. The school offers a comprehensive curriculum including advanced courses for 7th and 8th grade students, vocal and instrumental music, and technology instruction. Most of the district's high-school students attend the Hillsdale High School. The district does also operate a separate alternative high school program with an enrollment of 20-25 students annually. Hillsdale High School has been recognized in consecutive years for academic excellence in 2013, 2014, 2015, and 2016, in the Top 5% of schools in the state for improving student achievement. In 2015, US News and World Report identified Hillsdale High School with a bronze medal of distinction as a "Best High Schools in America" in preparing students for college and career readiness. In both 2016 and 2017, the high school achieved a Silver Medal status from the same national publication. The school district has an outstanding reputation for its strong vocal and instrumental music programs and drama department. Multiple state championship banners have been earned in the past decade in sports and the school's robotics team is an up and coming program. In addition to all of that, Hillsdale High School has twice represented the State of Michigan at the National Envirothon Competition as our state's top environmental science team. Just released, the Hillsdale Community School district has been designated as Academic State Champions - Top 10 for students academic achievement growth in reading for grades 3-8.

There are also private and charter school choices for education in the City of Hillsdale. Will Carleton Charter Academy, with 262 students, offers a classic, content-rich K-12 education, the arts, clubs, and athletics.

Hillsdale Preparatory Charter School has a total enrollment of 128 students offering a K-8 self-contained classrooms emphasizing phonics instruction and content-rich core subjects, arts, and athletics.

Hillsdale Academy operated by and located on the Hillsdale College campus, is a highly acclaimed K-12 college preparatory private school with excellent Fine Arts, and Athletic Programs. Hillsdale Academy has a total enrollment of approximately 200 students. Test scores of its elementary students are routinely in the 99th percentile while the high school boasts numerous National Merit finalists and graduates enrolled in nationally ranked colleges and universities.

The Hillsdale County Intermediate School District (ISD) provides services to the 8 local schools and charters in Hillsdale County with a focus on special education. Services include curriculum support, special education, and vocational training to meet the needs of today's workforce. The HCISD operates the Technology Career Center located in the heart of the Hillsdale Manufacturing and Technology Park. Recent improvements at the Career Center include a 14 welding station training area and advanced manufacturing program. In addition, the HCISD cooperates with the City of Hillsdale at its Three Meadows subdivision where the Building and Construction Trades program is located, providing a learning opportunity for students in the program and new housing for City residents.

Jackson College (JC), LeTarte Center is a satellite campus of Jackson College within the City of Hillsdale. The LeTarte Center in Hillsdale has an average of 500 students per semester and currently offers technical training, certificates, associate degrees, two Bachelor degree programs and transfer options. Students have the ability to complete a number of programs entirely in Hillsdale. The LeTarte Center provides seven smart classrooms including a science lab, two computer labs, four classrooms, and a student lounge. The Hillsdale County Early Middle College is a collaborative between Jackson College, the nine Hillsdale County Districts and the Hillsdale County Intermediate School District and combines high school and college. Beginning in the 11th grade, students complete high school requirements and enroll in at least one course a semester at Jackson College's LeTarte Center in Hillsdale. Following 12th grade, students complete the fifth year fully at Jackson College, finishing with their high school diploma and at least 15 transferable college credits. Students in the HCEMC benefit from additional support services in academic advising, scheduling, soft skills, academic preparedness and healthy habits of mind. Building these skills, students become more well-rounded and reliable workers. This program is open to Hillsdale County students pursuing any career path. Local districts cover all cost for those students that are accepted.

Hillsdale College, founded in 1844, has a current enrollment of 1,466 undergraduate students along with 43 graduate students in the Van Andel School of Statesmanship graduate program. Situated on more than 300 acres, the College is an independent, nonsectarian, co-educational, residential institution dedicated to the principles of faith, freedom, higher learning, and the development of high moral character. Hillsdale College has attracted students from all 50 states. Currently, students from 13 foreign nations attend Hillsdale College. The Mossey Library and Heritage Room, with its collection of rare books and coins, is open to residents of the community. Slayton Arboretum, an 80-acre Nature Laboratory and Children's Garden, with its many scheduled events is also available to residents of all ages. The Halter Shooting Sports Education Center, situated on 130 acres, features state of the art facilities and is available to the public with nearly 150 current memberships. Hayden Park, situated on 200 acres, features mountain bike trails, an 18-hole disc golf course, sand volleyball courts, and athletic fields and may be reserved by members of the public for group events. The Sage Center for the Arts offers theater, music, and dance performances in its 400-seat auditorium and offers art exhibits in the Daugherty Gallery free to the public. The recently renovated 36-bed Dow Leadership Conference Center and Hotel provides meeting rooms and services for local businesses and is utilized by many industrial, commercial, and educational groups. The College has 12,000 annual visitors and is in contact with 20,000,000 people around the country each month.

Hillsdale College continues to make important investments in the community, including recent renovations which created the Searle Center. A grand entry and lobby greets visitors to the center and gives the college and community a place to host large galas and other presentations for a greater number of visitors to the College and community programs. The expanded dining facility seats 850. Most recently, the College has created "College Park", an area for new residences to be built close to the college campus, ideally suited for those who are actively involved with Hillsdale College such as alumni, trustees, friends, and parents. Each home built will be individually owned and taxable. The College has completed construction of the Margot V. Biermann Athletic Center, a full-service track and tennis facility, along with renovations to the Roche Sports Complex with recreational and fitness updates. These facilities are available to community members with the purchase of a membership. There are currently 500 community memberships. The College has also completed extensive renovations of three older dorms and submitted plans for the renovation of Galloway Dorm. Hillsdale College broke ground on the construction of a \$31 million chapel in April 2017 which will seat 1,400 attendees at religious ceremonies, orchestral performances, weddings, lectures and other special events. In addition, the College has facilitated the building of six new townhomes with eight dwelling units in each for private purchase and student rental. These units will be completed fall 2018 and will be taxable. The College and the community look forward to the addition of a new 56-bed women's dorm by fall 2018, the auditorium expansion of the Searle Center, and the creation of a Professional Development Center.

The City of Hillsdale Recreation Department provides City and County residents with leisure and competitive recreation programs, activities, and facilities enhancing quality of life for community members. The Recreation Department serves as the events coordinator and planner for recreational programs such as baseball/softball, basketball, football, and volleyball for youth and adults. Parks programming for the various parks and outdoor facilities also falls under the scope of the Recreation Department. Mrs. Stock's Park, Owen Memorial, Sandy Beach, Cold Springs Park, Fields of Dreams, the Baw Beese Trail, and dock slips along Baw Beese Lake are some of the most frequented parks and facilities serving residents throughout the County. The Department continually works to further improve and develop each facility. While maintenance expenses fall within the Parks Maintenance Fund, the Department continues to develop ways for the facilities to generate revenues in order to offset these expenses whenever possible.

Library services, in one form or another, have been offered for over 130 years in the City of Hillsdale. In 1879, a group of women established a library association formed with the intention to “circulate good literature among the people of Hillsdale.” The books they collected would eventually become the foundation of the Mitchell Public Library, which opened its doors in 1908, with the donation by Charles Mitchell of his family home for the location of the library on the corner of Manning and McCollum Streets.

In 2012, the City of Hillsdale received another donation from John Pulver, a native of Hillsdale who began his collection of "Michigan" authors, books and ephemera, over fifty years ago. At his request, this collection of books, letters, and manuscripts is housed in the Mitchell Building which now serves the community as a research facility for over 5,000 books, documents and historical records of family and local history.

The Mitchell Public Library served Hillsdale for 95 years until the construction of the Hillsdale Community Library in 2003, a \$2 million state-of-the art library building located next door, on the corner of Manning and Bacon Streets. Growing from the initial collection of 2,666 volumes, the Hillsdale Community Library collection currently stands at over 67,000 volumes and continues to grow. The library also includes dedicated space for children’s programming with an early literacy program added in 2017. There are also dedicated spaces for a young adults’ area and expanded technology area with 16 public computer terminals, plus copying and faxing services. The facility offers spacious community meeting rooms that not only provide programming space for the library, but also for local civic and other organizations to use for presentations and meetings. Each year the library circulates over 50,000 items, including e-books. The library currently has over 13,000 registered borrowers. Library programs serve approximately 3,000 children and 75,000 visitors each year.

There are numerous banking options in Hillsdale. Banking services are provided by American 1 Federal Credit Union, County National Bank, Fifth Third Bank, Flagstar Bank, Greenstone Farm Credit Services, Michigan Community Credit Union, Chemical Bank, and Southern Michigan Bank and Trust.

Numerous churches are located in and around the City which provide a range of worship opportunities for residents and notable architecture in the City. The Hillsdale County Courthouse and courthouse square, anchor Hillsdale’s historic commercial district and the County has made a commitment to stay downtown with the purchase and redevelopment of the former Hillsdale Daily News building for county offices. Many of the churches, government buildings and commercial structures in our historic downtown are significant architecturally and contribute to our Victorian era setting. Indeed, Hillsdale’s entire downtown is listed on the National Register of Historic Places which presents a late 19th early 20th century commercial district almost in entirety.

April 2, 2018

Mayor Stockford & City Council Members
City of Hillsdale

Dear Mayor, Council and Hillsdale Residents,

The following letter highlights the City of Hillsdale's 2018-19 budget and the successes achieved over the 2017-18 budget year. The 2018-19 budget is balanced and seeks to address major goals and challenges identified by the Council and residents of Hillsdale. In this effort, the City sought to maximize resources, hold expenditures stable and leverage grant funding while maintaining the current level of services being provided to the Community.

This budget contains appropriations of \$11,994,350. That is down two and one-half (2.5%) percent from the 2017-18 amended budget. The \$308,902 decrease is attributable to appropriations for the purchase of a fire truck last August. This was an unplanned purchase necessitated because of unforeseen mechanical issues with the old pumper.

This budget projects spending down \$375,350 of City reserves. The bulk of that spending is related to the purchase of three 5-7 yard dump trucks for the Department of Public Services.

This budget anticipates the renewal of the three (3) mill tax levy instituted last year. This is the millage added in accordance with Chapter 8 Section 4 in the Charter to establish a sinking fund for future road reconstruction.

Priorities

At the February 5, 2018 Council meeting Mayor Stockford set the following goals and objectives with Council for the coming year:

1. Public Safety – The highest priority of the Council is to adequately fund and support public safety measures within the City.
2. Economic Development – Continue to look for ways to reduce costs and increase revenues, through reductions in non-vital expenditures and expansion of business opportunities. Also along those lines, the City will work towards turning its weaknesses into strengths, fostering communication with businesses and assisting with workforce development.
3. Streets - Infrastructure – Continue maintenance and reconstruction of streets as funding is available.
4. Accountability – Work to gain trust between Council, staff and the public by keeping the lines of communication open and using the most effective tools for transparency – City website, social media, radio and print media and open forum meetings.

General Fund Revenues

This budget shows General Fund revenues decreasing just over two percent (2.18%) from the prior year's estimates. Property taxes, state revenue sharing, payments in lieu of taxes, grants and donations, and a variety of miscellaneous revenues are the major sources of income for this fund. Approximately forty-two percent (42%) of all General Fund revenue comes from property taxes. This budget reflects a two percent (2%) increase in taxable values, the rate of inflation.

Payments in lieu of taxes (PILOT) remained consistent with the prior year. PILOT payments are payments made to the City instead of (in lieu of) paying property taxes. The City has been receiving these payments from three housing developments located in the City which pay 3-10% of their annual rents minus utilities. This year the new Center City apartment complex will make their first payment. The City's utility department (Hillsdale Board of Public Utilities – HBPU) pays six percent (6%) of its gross receipts in lieu of paying taxes.

The third largest source of funding comes from state shared revenues. These revenues are projected to remain the same as last year. In 2018 the City anticipates receiving \$170,000 from the new Essential Services Tax as compensation for the loss in personal property tax revenues brought about by legislative reform. This reclassifies revenue formerly identified as taxes, to revenue sharing. All in all, the City is receiving \$300,000 less in revenue sharing than we received in 2002. The governor and legislature determine the amount and how they will distribute these revenues.

General Fund Expenditures

In 2018-19 General Fund expenditures are expected to decline by more than four percent (4.33%). This decline is related to grant funding levels and staffing changes. Last year's budget contained Community Development Block Grant (CDBG) expenditures for economic development activities that have been completed. While there are other economic development grants being pursued, there is nothing ready to move forward on at this time.

Additionally, there have been several staffing shifts over the past year that have altered personnel responsibilities in an effort to make operations run more efficiently. A new department for Human Resources was added (for budgeting purposes). Those tasks are still being handled by the same person, but those costs are being tracked separately and are being shared with the BPU. The economic development duties contracted with Hillsdale Policy Group are now being shared by Kelly LoPresto, Alan Beeker and myself. Katy Price, our Social Media Coordinator, now splits her time between the Clerk's and Assessing Offices. With the resignation of the Airport Manager, Ginger Moore took over that position on a part-time basis and we have hired a full-time maintenance person for the Airport.

The City's pension program is managed by the Municipal Employees Retirement System (MERS) of Michigan. As of July 1, 2017 the defined benefit (DB) program has been closed to new hires. All new employees are placed in a defined contribution (DC) program administered by MERS, with the city and employee contributing 7%. We currently have six people enrolled. The City will contribute approximately \$307,600 into the DB retirement plans. The BPU's budget contains accelerations that will pay down the unfunded liability of their two division in the next 10 years. While the City had hopes of doing the same, resources could not accommodate the additional \$290,000 in needed appropriations.

Other Funds

This document contains budgets for the City's twenty-seven funds, plus three utility funds. The utility puts together its own budget report, but the numbers are included here for reference purposes. The General Fund is the City's largest fund but there are several other funds that are noteworthy.

There are three funds that contain appropriations for the streets: Major Street Fund (202), Local Street Fund (203) and Municipal Street Fund (204). These revenue streams represent a portion of the gasoline tax collected by the State refunded back to municipalities for road maintenance only. Revenue is shared with communities based on the type of street (major or local), miles of road and population. The new street fund, the Municipal Street Fund (204), was added last year to track revenue and expenditures for street reconstruction projects. Fund (204) contains the appropriations for the Garden, Mead, Vine and Rippon Streets project. This \$2.9 Million project was made possible by an Infrastructure Capacity Enhancement (ICE) grant received last fall through the Michigan Economic Development Corporation (MEDC).

Two other large funds are the Capital Improvement Fund (401), used primarily to pay for large expenditures and the Airport Capital Improvement Fund (481) which is dedicated solely for Airport related capital projects. The Fund 401 is used for major purchases and infrastructure improvements throughout the City (with exception of street reconstructions). The Airport Capital Improvement Fund (481) gets its revenue from fuel sales, hangar rentals, General Fund transfers and federal and state aeronautics grants.

The Library Fund (271) revenues come from two primary sources: a one mill General Fund Expenditures

In 2018-19 General Fund expenditures are expected to decline by more than four percent (4.33%). This decline is related to grant funding levels and staffing changes. Last year's budget contained Community Development Block Grant (CDBG) expenditures for economic development activities that have been completed. While there are other economic development grants being pursued, there is nothing ready to move forward on at this time.

The remaining City funds receive their revenue directly or indirectly from the General Fund, from charges for services, contributions and donations and/or grants. Some have a special purpose (Special Revenue Funds) such as the Recreation Fund which provides recreational activities for City residents. Others (Internal Service Funds) are used to service other departments of the City, such as the Revolving Mobile Equipment Fund (640). That fund maintains, purchases and repairs the Police and Department of Public Services vehicles.

Meeting the Public Priorities of Capital Improvements

As in previous years, the number-one concern of the residents is the continued improvement of the City's local street system. To assist the administration in the task of finding a revenue source to do these repairs, the Funding Alternatives – Identification and Recommendations (FAIR) committee was formed. This group was charged with the task of identifying road problems, exploring and evaluating potential revenue options and make recommendation to Council on courses of action to fund future street reconstruction. The FAIR committee recommended, to Council, in March 2017 maintaining the \$300,000 earmarked from the BPU PILOT payments and initiating the three (3) mill sinking fund. The sinking fund will provide approximately \$396,000 for street reconstruction debt payments in 2018/19. While this millage is reflected in this document, it has to be approved by the Council on an annual basis.

This year's budget provides for more than \$6.6 Million for capital projects for the City and more than \$1.3 Million for the BPU. These revenues come from federal and state grants, fund reserves, charges for services and various contributions and donations. A listing of these projects can be found in the Capital Improvement and the BPU sections of this document. The only exceptions to that are the equipment purchases for Dial-A-Ride and the Department of Public Services. This year we plan to replace three 26 year-old 5-7 yard dump trucks for DPS at a cost of \$145,000 each. The transit system anticipates receiving \$200,000 in federal and state grant funding for the purchase of two replacement buses. One Police patrol car purchase is also planned at an estimated cost of \$35,000.

In regards to debt service, the Board of Public Utilities (BPU) has an installment purchase agreement, under PA99 of 1933 for electric meters and the AMI system with a balance of \$ 633,516.36. Last year they entered into a four year lease agreement with Key Government Finance Corp. for the purchase of a vactor truck. The balance outstanding is \$229,857.23. The wastewater treatment plant improvements are nearing completion. Repayment on the two revenue bond issues totaling \$9.5 Million will begin in April of this year. You can find full disclosure of all the City's debt in the debt section of this document.

Recent Success

The City continues to benefit from its participation in the Redevelopment Ready Communities program through the MEDC. This program has provided guidance and technical assistance on many aspects of the City's approach to economic development. In addition, Hillsdale was chosen as the Project Riding Tide Community for Region 9 of Governor's Snyder's Prosperity Regions. As a Rising Tide Community, the City has received assistance from the Michigan Vacant Property Campaign, the expertise of professional firms in Branding, Form-Based Code, Economic Development and Communications.

Redevelopment and reuse are contributing to Hillsdale's historic downtown. In the past year, Center City apartments opened providing 40 senior apartments in the heart of downtown within walking distance of the library, hospital, and the numerous shops and diners downtown. All of these apartments are now occupied and will provide revenue for the City. Other new businesses downtown include Modern Revival; a vintage and shabby chic furniture and home décor store, Nell's Nest; a women's clothing boutique, Rough Draft offers coffee drinks, simple refreshments, a future cocktail bar and draft beer, and a space for study and conversation, the Small Town Sweet Boutique Store offers Candy, novelty gifts, party favors, customized gifts and much more, Hillsdale Brewing Company converted the old Boyd Hotel building into a new dining experience and microbrewery, and an AFLAC district office. H.J. Gelzer & Son Hardware will be moving its current operations to a vacant building just blocks away from its downtown location. The new facility is going to be approximately 20-percent larger and will have 30-percent more inventory. The original five-story structure will be rehabilitated and retained in its entirety for use in receiving deliveries, storage of inventory and allow for the future expansion of Gelzer's.

Other new developments include the old Hillsdale Tool building located at 221 Industrial Drive purchased by Two2One, LLC leased by Corecoyle Composites, LLC which manufactures composite products and plastic extrusions.

Future redevelopment of the Keefer House and the Dawn Theatre should add to the City's vibrancy and tax base in the downtown. The City's Tax Increment Finance Authority (TIFA) has found a real estate development and hospitality company that is interested in redeveloping the Keefer House into a boutique hotel with approximately 30 rooms. Progress for the Dawn Theater is moving forward on the \$1.3 million grant from MEDC to rehabilitate the theater.

The Recreation Department has expanded and improved its athletic offerings with the addition of an upper division of baseball to the Southern Michigan Baseball League. Organized activities utilizing the basketball and volleyball courts at Sandy Beach are being scheduled for the upcoming summer season.

The following grants were awarded by Hillsdale County Community Foundation:

- Recreation Department was awarded a grant for Fields of Dreams Storage Building Project in the amount of \$9,134. The project will help store baseball/softball, soccer, and football equipment throughout the year.
- Hillsdale Community Library received a grant in the amount of \$4,502 for an Early Literacy Center. The Library will soon have a play center where children will be able to learn skills to prepare them for reading.
- The Friends of the Mitchell Research Center received a grant in the amount of \$1,200 for updates to their filing equipment and system at the Center. The grant will aid the community in better researching local history.

In the spring of 2017, the City of Hillsdale and Fayette Township were approached by Meijer Corporation about developing a store at the intersection of Taylor and Beck Roads and Highway 99. In December 2017, the City and Township approved a service agreement to make the development possible. The City is hopeful the development will be designed and engineered in 2018/19, with construction starting in 2019/20.

Hillsdale Municipal Airport completed a new concrete apron and connector taxiway project. The project includes nearly 10,000 square yards of concrete pavement, taxiway connector, edge lighting, signage and site improvements. The design and construction phases received \$1,050,000 in Federal and State funding, resulting in the City participating in about \$110,000 of the total project cost.

To improve communication with the Community, in December 2017 the first quarterly newsletter was created which will be mailed Spring, Summer, Fall and Winter. The City has a new user friendly and much improved website. Social media is also a way we continue to communicate with the public on a daily basis. The City of Hillsdale has 2,321 followers on Facebook.

In an effort to increase collaborations between government organizations the City of Hillsdale has entered into a joint collaborative effort with Hillsdale County to purchase a new phone system which will allow all County and City departments to contact each other directly. Each municipality is anticipating saving approximately 30 percent in telephone expenses.

The Fire Department acquired a new truck in August 2017. Engine 332 is fully equipped to respond to both fire and medical calls. The Fire Department received grant funding to equip the truck with fire hoses, generator, jaws of life, medical equipment and a thermal imaging camera.

In December 2017, Council approved the purchase of a quality used ladder truck and an in-building vehicle exhaust system for the Fire Department. A 2003 E-ONE 100 foot ladder truck has been purchased in the amount of \$250,000. The new exhaust system has been purchased and installed. These two purchases were necessary to maintain our current equipment, safety and service levels.

The City purchased a new network server, other related equipment, software and installation and now share monthly network administrative services with BPU and the Library. This will reduce system duplications, have reliable backups, a strong security protocol, maintain system control, and save money for the City, BPU and the Library.

Future Challenges

By far the most difficult issues we face in our community continues to be how to fund infrastructure improvements, large equipment purchases and unfunded pension liabilities. Many of our roads were never constructed properly with an adequate sub-base or drainage. The cost to address these needs with today's dollars is estimated to be around \$32 million. The other major challenge is unfunded (net) pension liability. Based on the 2017 audit the net pension liability totaled \$4,756,514. Steps have been taken in the past year that reduced that liability \$524,750 from its 2016 level. Nevertheless, this issue must be monitored to secure future retirements. These challenges for the City will require the creation of revenue and reducing and/or holding expenditures levels stable in all areas of the City.

Conclusion

The City continues to make measureable improvements in operations, finding funding sources and strategically investing in capital projects. For the third year in a row the administration has presented a balanced budget for the City with an improving financial position. The City staff continues to look for ways to be efficient and improve service to the Community. The future for Hillsdale is on an upward trend.

According to our City Charter, a budget must be approved by the City Council by its first June meeting. Amendments are necessary from time to time and can be made throughout the year by a simple majority vote of Council. Thank you for your efforts in considering this budget and your contributions to the success of the City of Hillsdale.

CITY OF HILLSDALE

David Mackie
City Manager

**CITY OF HILLSDALE, MICHIGAN
RESOLUTION NO. _____**

BE IT RESOLVED, that the following sums shall be approved as budgeted and appropriated to meet the expenses of the several funds and activities of the City of Hillsdale for the fiscal year beginning July 1, 2018 and ending June 30, 2019.

Revenues:

Property Taxes	\$ 2,596,550
Payment in Lieu of Taxes	1,100,000
Grants & Donations	2,355,950
State Revenue Sharing	2,010,405
Internal Transfers	1,817,205
Miscellaneous Other Revenues	1,738,890

Total Revenues City at Large

\$11,619,000

General Fund Expenditures:

City Council	\$ 29,330
City Manager	211,395
Human Resources	47,175
Economic Development	25,400
Administrative Services	173,400
Elections	12,550
Assessing Department	179,210
City Clerk	130,495
Finance	98,710
City Treasurer	145,890
Building & Grounds	131,745
Parking Lots	62,915
Cemeteries	122,365
Airport	138,455
Police Department	1,458,365
Fire Department	416,555
Code Enforcement	30,000
Planning Department	108,735
Public Services	271,100
Street Lighting	68,125
Parks	208,130
Transfers to Other Funds	712,205

Total General Fund

\$4,782,250

Major Streets/Trunkline Fund	\$ 783,860
Local Streets Fund	429,940
Municipal Street Fund	2,650,000
Recreation Fund	135,350
Economic Development Corp. Fund.....	37,900
Tax Increment Finance Authority Fund.....	106,000
Drug Forfeiture Fund.....	2,500
Library Fund	263,855
Police OWI Enforcement Fund.....	3,600
Debt Service	400,000
Capital Improvement Fund	612,950
Fields of Dreams.....	4,100
Mrs. Stock's Park Fund	16,500
Airport Improvement Fund	73,665
Dial-a-Ride Transportation Fund	565,165
DPS Inventory Fund.....	153,905
Revolving Mobile Equipment Fund	772,105
Unemployment Insurance Fund.....	4,000
DPS Leave & Fringe Benefits Fund	181,205
Cemetery Perpetual Care Fund.....	15,500

Total Expenditures City at Large

\$11,994,350

BE IT FURTHER RESOLVED, that pursuant to Section 13.7 of the City Charter, the budgets for the Hillsdale Board of Public Utilities are hereby approved as follows:

Revenues:

Electric Fund.....	\$13,563,700
Water Fund	1,395,150
Sewer Fund.....	1,989,900

Expenditures:

Electric Fund.....	\$12,698,410
Water Fund	1,262,065
Sewer Fund.....	1,701,850

Capital Projects

Administrative Services.....	\$ 38,800
Electric	815,000
Water	283,000
Sewer	200,000

BE IT FURTHER RESOLVED, that pursuant to Section 13.6 of the City Charter, those projects which are to begin in fiscal year 2018-2019 as indicated on the report the Board of Utilities presented to Council are hereby approved for the fiscal year 2018-2019.

BE IT FURTHER RESOLVED, that the wage and salary schedule for non-union, non-contractual employees of the city, shall be increased by three percent (3%). The Board of Public Utilities employees, non-union, non-contractual employees, shall be increased by two percent (2.0%) from the current levels, effective July 1, 2018. This is exclusive of all employment contracts and/or agreements.

PASSED IN OPEN COUNCIL MEETING THIS 4TH DAY OF JUNE, 2018.

Adam L. Stockford, Mayor

ATTEST:

Stephen M. French, City Clerk

CITY OF HILLSDALE, MICHIGAN
RESOLUTION NO. _____

WHEREAS, the Hillsdale City Council has held a public hearing pursuant to Public Act 5 of 1982, as amended, being 211.24e of the Michigan Compiled Laws; and

WHEREAS, the Council finds it necessary to levy the City's full available millage rate with rollback caused by PA 5 of 1982;

THEREFORE, BE IT RESOLVED, that pursuant to Hillsdale City Charter Section 8.4, for the purpose of defraying the **general expenses and liabilities of the City**, the sum of **\$1,586,185.11** shall be raised by a general tax of **twelve and 4337 hundredths** mills (**\$12.4337** per \$1,000 of taxable valuation) upon the ad valorem real and personal property in the City; and

BE IT FURTHER RESOLVED, that pursuant to Hillsdale City Charter Section 8.4, for the purpose of defraying the **expenses of working upon, improving, and repairing and cleaning the streets of the City**, the sum of **\$317,244.68** shall be raised by a general tax of **two and 4868 hundredths** mills (**\$2.4868** per \$1,000 of taxable valuation) upon the ad valorem real and personal property in the City; and

BE IT FURTHER RESOLVED, that pursuant to Hillsdale City Charter Section 8.4, for the purpose of **payment into a sinking fund established for the payment of debt service**, the sum of **\$380,290.49** shall be raised by a general tax of **two and 981 hundredths** mills (**\$2.981** per \$1,000 of taxable valuation) upon the ad valorem real and personal property in the City; and

BE IT FURTHER RESOLVED, that pursuant to Hillsdale City Charter Section 2.4, and Hillsdale Municipal Code Section 2-265, for the purposes of defraying the **expenses of the City's public Library**, the sum of **\$126,895.32** shall be raised by a general tax **9947 hundredths** of a mill (**\$0.9947** per \$1,000 of taxable valuation) upon the ad valorem real and personal property in the City; and

BE IT FURTHER RESOLVED, that pursuant to Public Act 88 of 1983, as amended, the City Treasurer is hereby authorized and directed to impose and collect such property tax administration fees, collection fees, and late payment charges as are authorized by law and charter.

PASSED IN OPEN COUNCIL MEETING THIS 4TH DAY OF JUNE, 2018.

Stephen M. French, MMC
City Clerk

BUDGET PROCESS & CALENDAR

Planning & Goal Setting

Four Key Goals:

- Public Safety
- Economic Development
- Street Infrastructure
- Accountability

Collection of Data

The various City boards and commissions discuss up-coming projects and plans in their January meetings and forward that information to the appropriate city department to be included in the budget discussions. The Finance department distributes budget packets to all department heads at this time. With this information they prepare their requested budgets with their departmental goals and objectives as their guides.

Budget Preparation

It is the ultimate responsibility of the City Manager to develop a recommended budget to present to Council. During the month of February, the City Manager and the Finance Director meet with each department head to review their budget requests. These meetings provide a good forum to discuss each department's contribution to the City's overall goals and objectives and what resources will be available to them. This also provides for a good review of their current budget performance. In March the final document is created.

Budget Approval

The budget document is submitted to Council at their first meeting in April as stipulated by the charter. The Council as a whole will meet in several sessions during April and May to review with staff each department budget. Each year the public is given an opportunity to review the budget and make comments at public hearing in mid May. At their first meeting in June, Council approves the budget resolution and gives millage rate authorization to the Treasurer to levy related taxes.

BUDGET PROCESS & CALENDAR

Budget Amendments

The City Manager is authorized to transfer budgeted amounts between departments within any fund; however, any revisions that alter the total expenditures of any fund must be approved by the City Council. If changes to the budget become necessary, the City Manager submits the proposed amendments to Council for their approvals as needed throughout the year.

Progress Calendar

January 26	Worksheets distributed to all Department Heads.
February 12	All Department Head budget numbers entered into BS&A software and capital projects, expense sheets, and supporting documentation turned into Finance Department.
February 12 – March 2	Department Head meetings begin with City Manager and Finance Director to discuss budgets just as soon as departmental budgets are ready for review.
March 1 - 16	City Manager and Finance Department prepare Manager's recommended budget.
March 16-23	Finance Department updates/edits final budget documents.
March 23-April 2	Final budget prepared for distribution to council.
April 2	Council receives budget document and sets Budget Hearing for May 21.
April 2-30	Council to hold work sessions to review budgets with staff.
May 1	Notice of public hearing published in the newspaper, and the proposed budget placed on file for public inspection.
May 21	Council holds Budget Hearing.
June 4	Council adopts the budget and approves the full millage rate authorizing the City Treasurer to levy the taxes.

BASIS OF BUDGETING/ACCOUNTING

Basis of Budgeting

Annual budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America for all City funds including its Capital Improvement Funds. The General Fund budget is adopted on a functional basis, while all other budgets are adopted on a fund basis.

- Property taxes and other revenues that are measurable and available for use are budgeted as revenue on the basis of when they are earned. Other revenues such as fines and forfeitures, admissions, contributions, etc. are recorded when received.
- Revenues from special assessments are budgeted on the basis of when the assessments are due.
- Principal and interest payments on outstanding debt are budgeted on the basis of when they are due and payable.
- Payments for acquisition of materials and supplies inventories and fixed assets are budgeted on the basis of when the obligation is incurred.
- All other expenditures are budgeted on the basis of when the expenditure is incurred and payable.
- Appropriations for depreciation and year-end vacation and sick leave accruals are not made in the enterprise funds.
- All appropriations lapse at the fiscal year end.

Basis of Accounting

Basis of accounting refers to when revenues and expenditures are recognized in the accounts and reported in the financial statements. It also relates to the timing of the measurements made, regardless of the measurement focus applied.

All governmental, expendable trust and agency funds are accounted for using the modified-accrual basis of accounting for all governmental fund types, including General Fund, Special Revenue Funds, Trust Funds, and Debt Service Funds. For Enterprise and Internal Service Funds, the City uses the full accrual basis of accounting.

Governmental fund revenues are recognized when they become measurable and available as net current assets. “Measurable” means the amount of the transaction can be determined and “available” means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. The government considers property taxes as available if they are collected within the 60 days after the year end. A one-year availability period is used for revenue recognition for all other governmental fund revenues. Expenditures are recorded when the related fund liability is incurred. Principal and interest on general long-term debt are recorded as fund liabilities when due or when amounts have been accumulated in the debt service fund for payments to be made early in the following year.

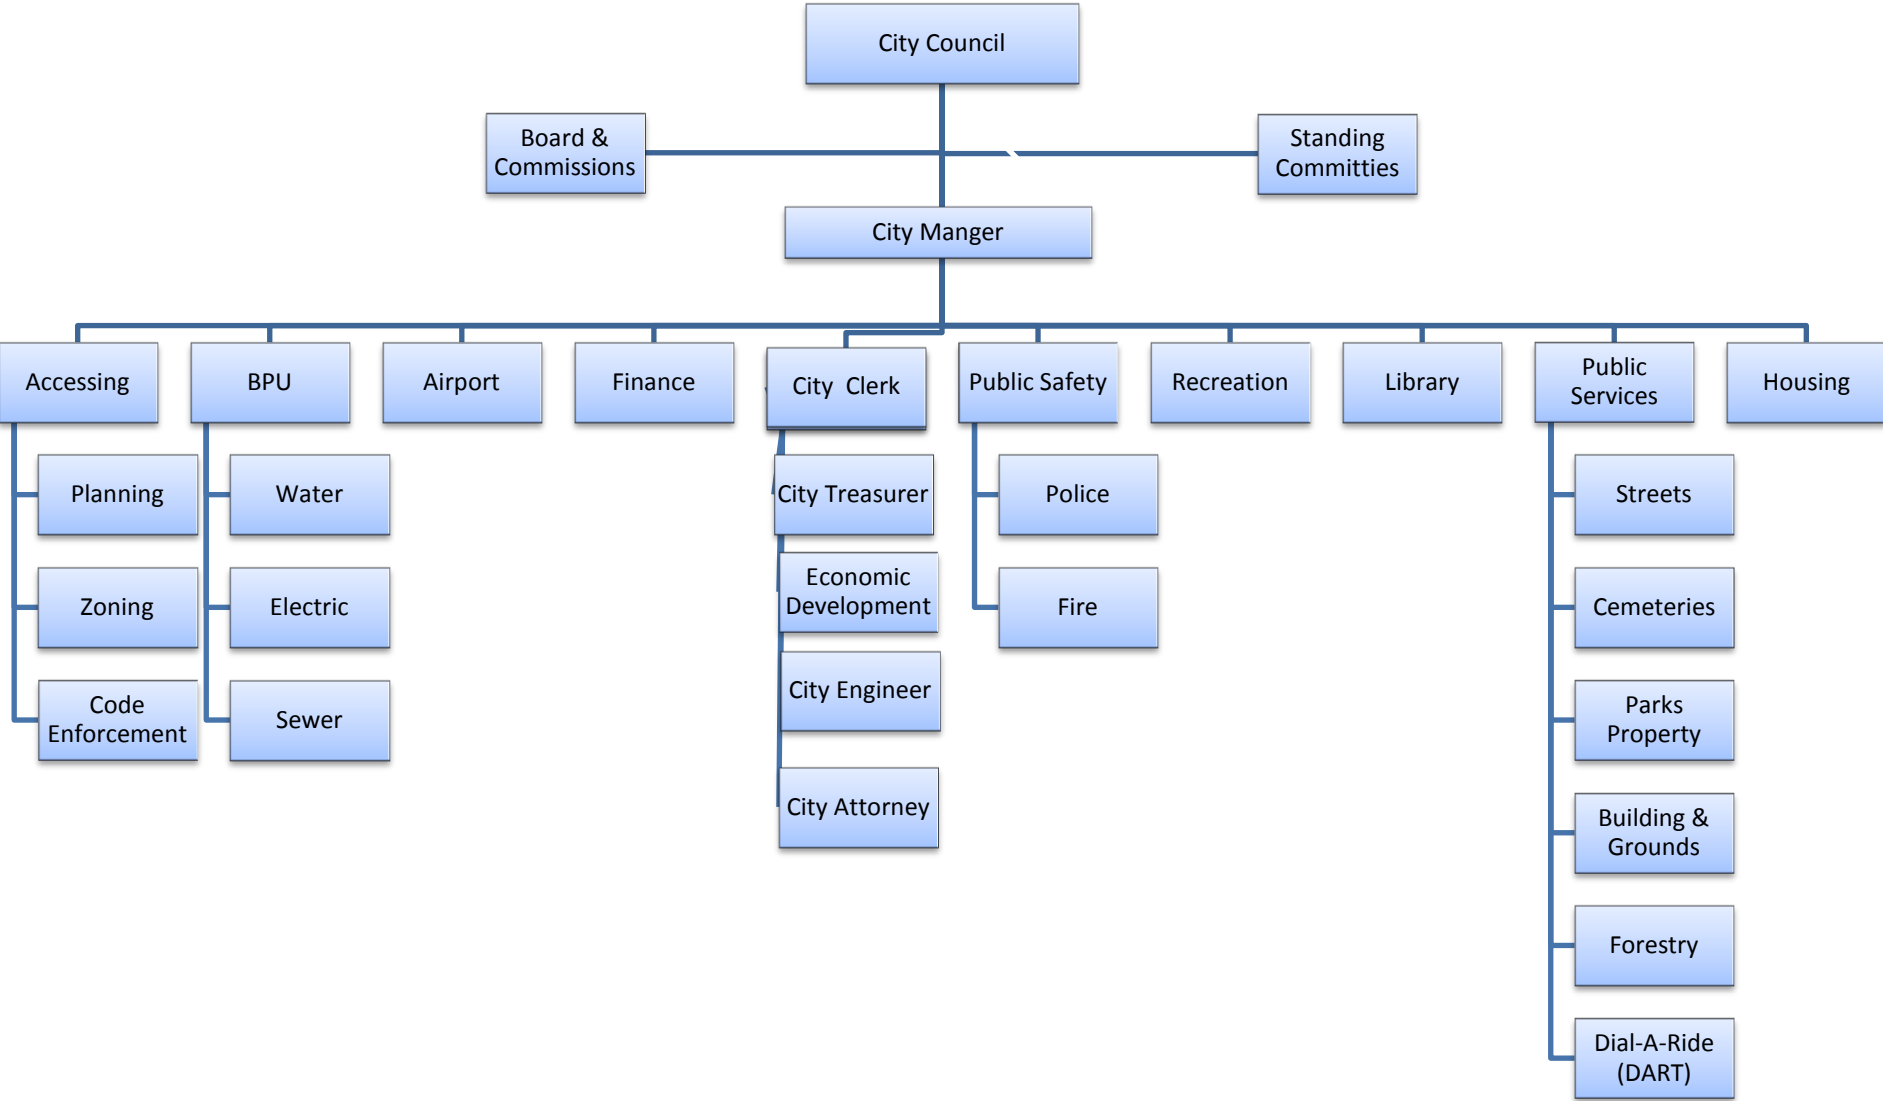

BASIS OF BUDGETING/ACCOUNTING

CONTINUED

All governmental funds and expendable trust funds are accounted for on a spending or “financial flow” measurement focus. This means that only current assets and current liabilities are generally included on their balance sheets. Their reported fund balance (net current assets) is considered a measurement of “available spend-able resources.” Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of “available spend-able resources” during a period.

All proprietary funds and nonexpendable trust funds are accounted for using the accrual basis of accounting. Their revenues are recognized when they are earned, and expenses are recognized when they are incurred.

FUND STRUCTURE

The accounts of the City are organized by funds, each of which is considered a separate accounting entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts which are comprised of each fund's assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriated. Government resources are allocated to and accounted for individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds in this report are grouped into three (3) fund categories: Governmental, Proprietary, and Fiduciary.

Governmental Funds

The governmental fund category includes the General Fund, Special Revenue Funds, Long-term Debt Funds, and Capital Projects Funds.

The *General Fund* is used to account for all financial transactions not accounted for in another fund. This fund contains the general operating expenditures of the local unit including general government services, public safety (police and fire protection), assessing, building inspection, and general maintenance for the parks, cemeteries, parking lots, street lights, and city buildings expenditures. Revenues are derived primarily from property taxes, and State and Federal distributions, grant and other intergovernmental revenues.

Special Revenue Funds are used to account for the proceeds of specific revenue sources (other than expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes:

- The Major Street Fund derives its revenue from the State Gas & Weight taxes and is used for the maintenance and repair of the major streets and the state highway (M-99) that runs through the City.
- The Local Street Fund also gets its revenue from the State Gas & Weight taxes and is used to maintain the neighborhood streets in the City.
- The Municipal Street Fund resources (grants, transfers from other funds and other restricted revenues) dedicated for street improvements not funded from State Gas & Weight taxes.
- The Recreation Fund gets its revenue from the various sporting and athletic program fees it offers residents and non-residents. It also receives money from the General Fund.
- Revenue for the Library Fund comes from a dedicated millage, court fines, state aid, and charges for services.
- The Police Operating While Intoxicated Enforcement (OWI) Fund generates its revenue from fines paid by those convicted of driving while intoxicated. The money is used to further the enforcement of the intoxicated driving laws.

The *Long-term Debt Service Fund* is used to record the funding and payment of principal and interest on all debt of the City lasting longer than one year.

FUND STRUCTURE

Capital Projects Funds are used to account for financial resources to be used for the acquisition and construction of major capital facilities other than those financed by Proprietary and Trust Funds:

- **Capital Improvement Fund** expenditures are for major City capital projects. Revenues come from federal, state and local grants and the General Fund.
- **Fields of Dreams Fund** is used to track construction of Fields of Dreams Park which provides baseball/softball fields and other athletic activities. Its revenues come from grants and community fundraisers.
- **Mrs. Stock's Park Fund** was created to renovate a City park by that name. Its revenue comes from grants and community donations.
- **Cold Springs Park Fund** was created to renovate a City park by that name. Its revenue comes from community donations.
- **Airport Improvement Fund** receives revenue from hanger rentals, fuel flowage fees, and land leases. The expenditures in this fund are for capital improvements to the airport.
- **Library Improvement Fund** expenditures are for capital improvements to the Library facilities and its revenues come from community contributions/donations and grants.

Proprietary Funds (Enterprise/Internal Service Funds)

The proprietary fund category includes the Enterprise and Internal Service Funds.

Enterprise Funds are used to account for operations (a) that are financed and operated similarly to private business enterprises where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis are financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes:

- The Board of Public Utilities provides water, sewer and electric services in and outside of the City. Its revenues come from customer charges.
- The Dial-A-Ride Fund receives its revenues from Federal and State operating grants, user fees, and the General Fund. These funds are used to provide public transportation to handicapped, disabled, and senior citizens of the City.

FUND STRUCTURE

Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies within the city on a cost-reimbursement basis. The City of Hillsdale maintains five such funds:

- Department of Public Service Leave & Benefits Fund is used to record and distribute fringe benefit costs of the Public Services staff to different funds based on the tasks they are performing and where the work was done (i.e., General, Streets, Capital, etc.)
- Public Service Inventory Fund purchases materials used in the general maintenance of the City. Its revenues come from the departments/funds that used the material.
- Revolving Mobile Equipment Fund derives its revenues from rents charged to the various departments for the use of city owned vehicles. Those funds are used to operate and maintain those vehicles and to purchase new equipment as needed.
- Unemployment Insurance Fund revenues come from the various City departments and are used to self-fund the City's unemployment insurance program.
- Fire Vehicle and Equipment Fund was established to purchase vehicles and equipment for the Fire Department. Revenues in this fund are from the General Fund.

Fiduciary Funds

The Fiduciary Funds are used to account for assets held by the city in a trustee capacity. These include Expendable Trust, Nonexpendable Trust and Agency Funds. The City utilizes two Fiduciary Funds at this time:

Expendable Trust funds are accounted for in essentially the same manner as governmental funds. *Nonexpendable Trust* funds are accounted for in essentially the same manner as Proprietary Funds since capital maintenance is critical; however, these funds are not utilized by the City at this time. There are 3 Expendable Trust funds:

- R.L. Owen Memorial Park Trust Fund was established to make improvements to the R.L. Owen Memorial Park.
- Cemetery Perpetual Care Fund gets its revenue from the sale of cemetery lots and interest earned on investments. These funds are used to help offset the costs of maintaining the cemeteries and for capital improvements.
- Stocks Park Maintenance Fund was established to help offset the cost of maintaining the new renovations in that park. This fund gets its revenues from donations and interest earned on those monies.

Agency Funds are Custodial in nature (assets equal liabilities). These funds are used to receipt and disburse payroll and tax collections. Everything that comes into these funds is disbursed out; Imprest Payroll Fund is used to disburse payroll and payroll withholdings and Treasurer's Tax Collection Fund receipts and disburses all the treasurer's tax collections.

MAJOR REVENUES

CHANGES IN FUND BALANCE

Major Street Fund (202)

Fund Balance Reduction of \$71,360

The anticipated decrease in fund balance is intentional. This fund had a large fund balance at the end of fiscal year 2017. Street preservation work planned for 2018-19 will spend down some of that balance.

Police OWI Enforcement (274)

Fund Balance Reduction of \$2,000.00

This reduction is intentional. This revenue comes from fines paid by drivers convicted of operating while intoxicated (OWI) and has to be spent for enforcement of intoxicated driving laws. These funds will be used to purchase a new traffic radar gun.

Capital Improvement Fund (401)

Fund Balance Reduction of \$387,950

The City has ordered three new 5-7 yard dump trucks for a total cost of \$435,000. They will be delivered in August of 2018. This reduction in fund balance is directly connected to this purchase.

Fields of Dreams Fund (408)

Fund balance Increase of \$2,100

There are no specific projects scheduled for the Fields of Dreams Park this year. Money will accumulate in the fund for future initiatives.

Airport Improvement Fund (481)

Fund balance Increase of \$30,665

No capital projects are planned for this fiscal year. The money will accumulate in the fund for use on future projects.

Revolving Mobile Equipment Fund (640)

Fund Balance Increase of \$59,245

These funds are generated from rents charged to the various departments where the equipment is used (streets, parks, parking lots, etc.). This budget appropriates \$470,000 for three (3) 5-7 yard dump trucks used for snow plowing and one Police patrol vehicle. The bulk of this funding is coming from The Capital Improvement Fund (401). The grant obtained to assist with the dump truck purchases requires the City to pay the whole purchase price of the trucks with reimbursement to follow after all the stipulations of the grant have been met. This increase is a reflection of the grant requirement to ensure an adequate cash flow during the waiting period.

Stocks Park Perpetual Maintenance Fund (712)

Fund Balance Increase of \$7,500

These funds are generated through community contributions and donations. These funds are set aside in perpetuity so that the income earned can be used to offset future maintenance cost of Mrs. Stocks Park.

R.L.Owans Memorial Fund (715)

Fund Balance Increase of \$6,000

This fiduciary fund holds the interest from donated assets to benefit the lakefront park by that name. There are no projects planned for that park in this fiscal year.

Department Summary

The City of Hillsdale has a Council/Manager form of government; the manager is appointed by the elected City Council members. The City Council is elected by the voters of the City of Hillsdale to four year terms. The City is divided into four wards, each with two representatives. Council’s action to modify the local election cycle means that no elections are expected to occur in the 2019 calendar year. Elections are held every other year, on the even-numbered years (2018, 2020 etc.), with each ward having one expiring term per election. Term limits prohibit more than two consecutive four year terms as a Councilperson or Mayor. The next Election will be held August 8, 2018 (Primary) if necessary and City Election will be held on November 6, 2018

Department Goals

- Public Safety
- Economic Development
- Street Infrastructure
- Accountability

Budget Summary

1. Personnel expenses consist of payments to Council based on meetings and committee meetings attended, as authorized by the Officers Compensation Commission.
2. Operating expenses include Council training, membership dues in the Michigan Municipal League, auditing and legal services, technology and repair services for computer equipment, and engineering reviews of site plans.

CITY MANAGER

David Mackie – Manager

dmackie@cityofhillsdale.org

517-437-6444

Department Summary

The City Manager is the chief administrative officer and reports to the Hillsdale City Council. The position of City Manager carries a broad range of responsibilities which include appointment and supervision of department heads; coordination of all city and utility departments; and the preparation and maintenance of a balanced annual budget of the City's goals.

Department Goals

- Provide and maintain effective and efficient City government.
- Improve quality of life for the City's residents.
- Continue to integrate the City and BPU into one cohesive government entity.
- Maintain a department head review and staff development process.
- Annual strategic planning sessions.
- Encourage historical preservation.

Department Objectives

- Manage and motivate staff by working as a team to serve the citizens of Hillsdale.
- Economic Development – collaboratively work with Economic Development Coordinator, the BPU and Hillsdale County Economic Development Partnership.
- Promote Hillsdale by upgrading marketing materials, implementing business friendly practices and improving communications with citizens.
- Create administrative efficiencies between the General Fund and BPU divisions.
- Facilitate and implement strategic plan improvements.
- Update personnel policies and procedures.

Budget Summary

1. Personnel covers the cost of wages and benefits of one full time and one full time shared employee: the City Manager, and Economic Development Coordinator, Kelly LoPresto.
2. Operating expenses include supplies, training and seminars, and professional subscriptions.
3. Contractual services are: copier repair.
4. No capital outlay expenditures are planned for this fiscal year.

HUMAN RESOURCES

Kay Freese, Director

kfreese@cityofhillsdale.org

517-437-6443

Department Summary

The Human Resources Department was combined with the City Manager but now due to building logistics, it functions separately at the Board of Public Utilities. The HR department is responsible for payroll processing, federal and state tax reporting, workers' compensation, State unemployment, Freedom of Information, hiring process, and bargaining unit negotiations. Also administering three retirement plans with the Municipal Employees (MERS) and two with the International City Managers Association (ICMA), health insurance and other fringe benefits.

Department Goals

Continue researching revenue saving alternatives for fringe benefits.

Department Objectives

- Review and update employee handbook.
- Insure compliance with Federal and State laws.

Budget Summary

1. The Human Resources Department has a full time Director and coordinates activities with Department Heads and also provides individual services for all employees.

ECONOMIC DEVELOPMENT

econdev@cityofhillsdale.org

517-437-6479

Department Summary

The Office of Economic Development is staffed by Kelly LoPresto, Alan Beeker, and David Mackie. This office provides support to the City's Economic Development Corporation (EDC), Tax Increment Finance Authority (TIFA), the Office of Planning and Zoning, City Council and all City departments as needed for economic development.

Department Goals

- Attract business to the Hillsdale Manufacturing and Technology Park.
- Promote retention, growth, and attraction of all types of business – retail, commercial, industrial, agricultural, technology, and tourism related industries.
- Promote development of Three Meadows Subdivision.
- Promote revitalization and occupancy of buildings in downtown Hillsdale.
- Improve the corridor to Hillsdale College and connection to downtown.
- Improve walkability and ease of access to downtown Hillsdale.
- Promote the new fiber optic network that makes Hillsdale one of the best connected communities in the country.

Department Objectives

- Work with the Michigan Economic Development Corporation (MEDC) to support the Redevelopment Ready Communities and Project Rising Tide programs.
- Work with MEDC programs to attract new businesses to Hillsdale and to assist expansion of existing businesses.
- Assist building owners to rehabilitate historical and blighted properties and to implement a program for rental rehabilitation on the upper floors.
- Partner with local economic development entities, local businesses and other community organizations to achieve economic development.
- Work with City boards and departments to develop business friendly policies.
- Seek out and administer grants, investment financing and other funding opportunities that support economic development activities.
- Implement a coordinated business attraction marketing plan and economic development strategy.
- Pursue funding opportunities for site assessment and remediation of contamination at industrial facilities.

Budget Summary

1. Personnel covers a portion of wages and benefits for one full-time shared employee.
2. Operating expenses are supplies, publishing of notices, training and seminars, and professional subscriptions.
3. Contractual services are for copier expenses and materials.
4. No capital outlay expenditures are planned for this fiscal year.

CITY CLERK

Stephen French

sfrench@cityofhillsdale.org

517-437-6441

Department Summary

The City Clerk's office duties include maintaining the official City records, administering elections, administering the city's account receivables and creating the daily bank deposits, updating and monitoring the city's website and social media pages, and providing general information to the public.

Department Goals

- Updating the city's website and social media sites to provide more up-to-date information and easier-to-navigate pages.
- Verification that all records maintained match all retention requirements, the records are stored in an appropriate fashion, and can be retrieved in an efficient manner.
- Maintain electronic files and work towards getting previous hard files switched over to become electronic files, as appropriate.
- Continue to improve the appearance and delivery of City Council packets on-line and improve the audio/visual delivery of Council meetings via the Livestream broadcast.
- Administer all municipal elections and maintain an accurate voter file database utilizing the Qualified Voter File (QVF)

Department Objectives

- Continue the program to electronically scan and catalogue all City Council minutes.
- Provide updated information for the City Ordinance code books and the electronic code book on the city's web-site, as necessary.
- Maintain a friendly, courteous manner toward the public on the phone and as a first point of contact for visitors to City Hall. Greet visitors and direct them to the appropriate offices and personnel.
- Assist other offices throughout the city government as needs arise.
- Review all files stored in the fourth floor of City Hall, purge old files, and transfer files to an electronic medium where appropriate. Transfer all paper records to storage at DART building.
- Continue to improve delivery of the election process, including the August Primary (if necessary) and November city, general election; and, maintain on-going training to the city's poll workers and office staff. Become proficient using the new election equipment that will be used for the first time in 2018.

Budget Summary

1. Personnel consist of one full-time Clerk and 50% of wages & benefits paid to administrative staff for social media and election support.
2. Operating expenses are supplies, training, publishing and general maintenance. A \$1,000 increase in supplies is in anticipation of purchasing record shelving to be installed at the DART building and used for the storage of records that are currently housed on the fourth floor at City Hall.
3. Contractual services are for copier expenses, banking fees, website assistance, code book maintenance, election coding and supplies, and monthly, on-site record shredding services.
4. The FY2019 budget does include the first of two, annual payments to Hillsdale County for the delivery, training, and related support for the new voting system that was received in 2018.
5. No capital expenditures are planned for this budget year.

TREASURER

Vacant

treasurer@cityofhillsdale.org

517-437-6454

Department Summary

The Treasurer's Office is responsible for collecting and disbursing funds collected through property taxes for the City of Hillsdale. Taxes are collected two times a year for the City, the Hillsdale Community Library, Hillsdale County, Hillsdale Community Schools, Hillsdale County Intermediate School District, and the State of Michigan. Reports are filed with the State of Michigan at the end of each tax season for all tax abatements issued to businesses in the City of Hillsdale.

Department Goals

- Get Delinquent Personal Property Taxes up to date.
- Develop written policies and procedures for tax collections.
- Develop written policies and procedures for cash handling.

Department Objectives

Budget Summary

1. Personnel consist of one part-time, appointed Treasurer.
2. Operating expenses are supplies, postage, training, publishing, dues and subscriptions, printing, and tax refunds and rebates (425 Area and PILOT disbursements to other jurisdictions).
3. Contractual services are for tax software support.
4. No capital items are planned for this year

517-437-6446

Department Summary

The Finance Department is responsible for maintaining a system of accounts which shall conform to the uniform system established by the state and is consistent with generally accepted accounting principles. It is responsible for collection of all monies, other than property taxes, received by the city, for maintaining the financial records of the City and the Board of Public Utilities, including records of property owned by and belonging to the city, for issuance of purchase orders for goods and services requisitioned by the various administrative departments and for providing assistance to the City Clerk and City Treasurer in carrying out the duties and functions of their respective offices. This department also handles all city investments and debt. We have integrated the Board of Public Utilities and the City financial responsibilities together, therefore all costs are split equally between the two funds. The two major functions of the department are to facilitate the audits and assist the City Manager and Director of Public Utilities in the preparation of the annual budget. In addition this department prepares and files all necessary intergovernmental reports; assists other departments with cost analysis, purchasing, and capital improvement planning; and performs analysis of various financial and non-financial issues as requested by the City Manager, Board of Public Utilities and the City Council.

Department Goals

- To provide useful and timely financial information to city and BPU staff, various city boards, BPU Board and commissions, as well as city residents in an appropriate format, maximizing the usefulness of the data.
- To provide safety, liquidity and yield in all investments.
- To facilitate computer and technology use in all departments.
- Monitor cost to reduce waste and maximize productivity and efficiency
- Review daily, weekly, and monthly processes for efficiencies and cost savings

Department Objectives

- Complete requirements for Government Finance Officers Association's (GFOA) Certificate of Excellence in Financial Reporting.
- Review and update Cash handling policies and procedures.
- Optimize use of online banking services.
- Optimize use of BS&A software for budgets and reporting.
- Develop procedures for each staff members daily tasks .

Budget Summary

1. Personnel consist of two full-time employees.
2. Operating expenses include general office supplies, training, and dues for Michigan Government Faineance Officers Association (MGFOA) and the national Government Finance Officers Association (GFOA), and the Michigan Municipal Treasurers Association (MMTA).
3. Contractual services consist of accounting software support .
4. No capital purchases are planned for this fiscal year.

ASSESSING, CODE ENFORCEMENT & PLANNING

Kimberly Thomas – Director

kthomas@cityofhillsdale.org

517-437-6456

Department Summary

This consolidated department is responsible for most property-related functions of the City, including assessment of real and personal property for taxation and enforcement of Building and Zoning codes, including the International Property Maintenance Code (IPMC). The City’s state certified assessor employs computer-assisted mass appraisal (CAMA) software to identify, track changes in ownership and annually determine the value of assessable property. It is the assessor’s responsibility to represent the city in the Michigan Tax Tribunal in the event of an appeal. The planning and zoning administrator works with the planning commission to develop the City’s master plan for future development and to enforce and recommend updates to city ordinances and the zoning map as needed to best meet the goals and objectives identified in the plan. They also review plans for issuance of Zoning Compliance permits prior to construction and enforce the property maintenance, fence, sign and zoning ordinances. As the department head, the assessor is considered the code official under the IPMC with the zoning and planning administrator acting as her designee for enforcement of the Code. Through use and occupancy permits, the department schedules inspections to verify compliance with the IPMC in coordination with fire department personnel. The department also works with the police and other departments to ensure enforcement and compliance with other sections of the municipal code, including clearance of snow from sidewalks, lawn mowing and removal of solid waste. In addition, the department works with the economic development office to identify eligible properties for tax abatements, as well as various state and federal grants for blight elimination and economic development.

Department Goals

- Physically inspect at least 20% of properties to ensure accuracy of assessments.
- Review computerized records and digital maps for accuracy.
- Review and update ordinances as needed.

Department Objectives

- Work with TIFA, EDC, and EDP to identify properties for redevelopment; identify and educate property owners about available property tax abatements, grants and incentives to encourage development and rehabilitation of blighted properties.
- Better the aesthetics and quality of life for residents and visitors to the city through effective code enforcement.

Budget Summary

1. Personnel Services cover wages and benefits for two (2) full time employees: the Assessor/Code Official and the Planning & Zoning Administrator, as well as portions of two (2) additional employees shared with other departments.
2. Operating expenses are for supplies, postage, transportation, training, and publishing of notices.
3. Contractual services include software maintenance agreements, parcel mapping, appraisals for Tax Tribunal, office equipment leases, and repair and maintenance of blighted properties (reimbursed through tax liens).

AIRPORT

Ginger Moore – Director

Hillsdale_airport@cityofhillsdale.org

517-797-4833

Department Summary

The City of Hillsdale employs Ginger Moore as the airport manager and Scott Curry as assistant manager and line manager. The Airport continues to serve the community as an important component of the transportation infrastructure and economic development of the City as well as the entire county. It is the responsibility of management to assure that the Airport meets or exceeds all State and Federal regulations. Keeping the facility in excellent condition is crucial to attracting tenants and supporters as well as gaining local, State and Federal funding for needed improvements.

Department Goals

- Continue with improvement program for new fuel farm, hangers and taxiway.
- Prepare for 2nd phase of parallel taxiway as stated in AIP.
- Rent two new hangers
- Improve fuel sales

Department Objectives

- Continue to assist in the ongoing expansion projects.
- Market airport facilities.
- Maintain efficiency on grounds maintenance, and building maintenance.

Budget Summary

1. Personnel consist Airport Manager and Airport Assistant Manager.
2. Operating expenses are Fuel and lubricants, supplies, utilities, repairs and maintenance, insurance, dues and subscriptions.
3. Contractual services are Fuel truck, Avfuel hub and garbage pick-up.
4. Capital Outlay items are appropriated through the Airport Improvement Fund (481).

POLICE

Scott Hephner – Chief

police@cityofhillsdale.org

517-437-6461

Department Summary

The Hillsdale City Police Department consists of a Chief, eight (8) Patrol Officers, three (3) Sergeants, one (1) Detective, one (1) Administrative Assistant, one (1) Records Manager/Dispatcher, two (2) part time Police Officers, eight (8) Reserve Officers and one (1) full time and one (1) part time Crossing Guard. Total incident complaints increased from calendar year 2016 to 2017 by approximately 4.7% from 7194 to 7530. Criminal complaints rose approximately 3% with 757 for 2016 to 777 for 2017. Total arrest charges remain flat at 423 in 2016 and 425 in 2017. Narcotics cases remain steady with 82 in 2016 and 84 in 2017; this is attributed to the Police Departments targeted enforcement strategy towards illegal narcotics.

Department Goals

- Maintain narcotics enforcement as a priority.
- Maintain a presence inside our local schools and foster positive contacts with the students.
- Engage in mutual training with the Fire Department.
- Provide more training to staff.

Department Objectives

- Through enforcement, reduce the amount of criminal narcotic activity involving injury and death and provide an avenue for addiction assistance.
- To have a method of sustained contact with our communities youth to further our Community Oriented Policing strategy.
- To ensure we provide a coordinated and effective response to emergencies and threats to our community.
- To obtain needed training without sending staff great distances and incurring extra expense.

Budget Summary

1. Personnel services reflects thirteen (13) full time Police Officers, two (2) part time Police Officers two (2) full time support staff, one (1) full time and one (1) part time Crossing Guard.
2. Operating expenses include supplies, training/education, vehicle operation, uniforms and cleaning. We will be replacing body armor for two (2) officers this year. RMEF (Revolving Mobile Equipment Fund) payments are \$0.75 per mile.
3. Contractual services consist of: Network Access Fee for In-Car Mobile Data Terminals, Service Agreement/Lease Fax Machine, Software License Fees, Range Fees, M.D.T Fees and Program Use Fees, Policy update service with Daily Training Bulletins, Redaction software maintenance.
4. No capital purchases planned this fiscal year.

FIRE

Scott Hephner – Chief

police@cityofhillsdale.org

517-437-6461

Department Summary

The City Fire Department consists of a Chief, one (1) Deputy Chief, one (1) Captain, one (1) Engineer and twenty (20) part time (on-call) firefighters. The department is licensed as a medical first responder agency and staff is trained in ice rescue, hazardous materials operations, confined space rescue, vehicle extrications as well as up to date firefighting tactics. The Fire Department responded to 1,667 calls for service in 2017. There were 1,078 Fire, Rescue/Medical, Hazardous Condition, and Alarm related calls and 589 service calls which include inspections, Investigations, and other duty

Department Goals

- Develop a strategy for incident specific Fire Truck assignments and rotations.
- Operate a Basic Life Support Transport Ambulance.
- Cross train with the Police Department.

Department Objectives

- To arrive on scene with the equipment that is most likely to meet the needs of the incident.
- To provide the community with a higher level of medical first response and transport to the Health Center when needed.
- To have a working strategy for responding to mass casualty events in a hazardous environment.

Budget Summary

1. Personnel service reflects three (3) full time employees, one (1) shared Chief with Police Department and twenty (20) part time on-call firefighters.
2. Operating expenses include supplies, vehicle repairs and maintenance, utilities, fuel, training, uniform replacement and medical exams including immunizations.
3. Contractual services consist of; linen services, software licensing, compressed breathing air testing and annual maintenance of the air purification system, Hurst rescue tools, annual pump testing, aerial and ground ladder testing and SCBA Harness Systems test and inspection. All of which are required by OSHA and NFPA. Desire to include annual pump maintenance.
4. No capital purchases planned this fiscal year.

PUBLIC SERVICES

Jake Hammel – Director

jhammel@cityofhillsdale.org

517-437-6491

Department Summary

The Public Services Department consists of a Director, Administrative Assistant, City Forester, Foreman, two (2) Mechanics, six (6) Service employees, and three (3) seasonal employees that provide services to the general public, businesses, and other government agencies. This department is responsible for a number of budgets including; Administration, Major/Trunkline & Local Streets, Parks, Forestry, Cemeteries, Building & Grounds, Parking Lots, Sidewalk Replacement, Inventory, and RMEF (Fleet Vehicles). This department provides information services as well as maintains records, writes grants, administers street and right-of-way permits, building demolitions, select inspections and other planning activities. This department also provides support to the Airport, Dial-A-Ride, BPU and a number of Capital Improvement Projects.

Department Goals

- An infrastructure system that is designed to be functional, is well constructed and properly maintained to serve the people now and into the future.

Department Objectives

- Perform maintenance (full depth HMA patch and crack-fill) all city streets ranked Paser 6 or better.
- Chip seal and fog approximately 5 miles of city streets
- Continue to maintain and elevate the condition of all city streets.

Budget Summary

1. Personnel consist of a Director, Administrative Assistant, full time and seasonal employees totaling 11,176 man-hours.
2. Operating expenses include; supplies, employee training, uniforms, publishing, utilities, CDL licensing, repairs and maintenance, drug and alcohol testing, solid waste bags, equipment rental and professional dues and subscriptions.
3. Contractual services consist of; engineering, lawn maintenance, compost site maintenance (turning, screening, and site grading), city hall cleaning, maintenance, and library maintenance.
4. Capital outlay requests for Public Services are appropriated through the Capital Improvement Fund 401

HILLSDALE BOARD OF PUBLIC UTILITIES

Chris McArthur- Interim Director

cmcarthur@hillsdalebpu.com

517-437-6418

Board Members

Barry Hill	President	Chris McArthur	Interim Director
Bob Batt	Vice President	Bonnie Tew	Finance Director
Eric Hoffman	Board Member	Chad Culbert	Electric Distribution Superintendent
Lois Howard	Board Member	Bill Briggs	Water/Sewer Distribution Supervisor
Chris Sumnar	Board Member		

Department Summary

Since 1893, the Board of Public Utilities has provided electric power to our community. Over the last 125 years the landscape has changed dramatically. The utility now operates a municipal wastewater and water system along with the electric utility. The Hillsdale BPU has seen a great number of changes over the past couple of years with a change in leadership throughout all departments and the retirement of former Director Mike Barber. The Waste Water Treatment plant continues to see improvements with that project anticipated to be completed by October 2018. The power plant engine upgrade project is in its final stage and should be completed by the end of April 2018. The Endicott Generating Station sale is final and MSCPA operations have moved to their new facility in Coldwater. The electric department continues to make great strides in moving forward with backyard underground projects, 277 line upgrade, and various other system improvements. The administration department has finished its financial software upgrade to BS&A. The main server upgrade approved by the Board in February has been completed.

Department Goals

- Working with existing and potential customers to foster economic development for the well being of the community.
- Generate revenues to meet present and future needs of the utility, and provide a return to the City.
- Providing a safe work environment, promoting workforce diversity and equal opportunity, and encouraging professional growth for all employees.
- Empowering our employees to proactively respond to customer concerns immediately and efficiently.

Budget Summary

1. Staffing levels remaining at 2017-18 levels with the exception of the new Assistant Finance Director (cost shared with the city)
2. No increase in electric rates, Sewer rates were increased 3.88%, Water rates increased 9.03%
3. Projected decline in sales and price per kilowatt reductions has resulted in a decrease of 4% in purchase power costs
4. Increase in depreciation is due to the completion of 2017-18 capital projects
5. Increase in debt service interest is due to the start of the waste water treatment plant debt payments

BPU PROPOSED CAPITAL PROJECTS 2019

FYE 2019 Proposed Electric Capital Projects

- Replace Transclosures with Pad Mount Transformers \$25,000
 - A number of medium to large size three phase power banks were designed and built using pole mount transformers and metal enclosures and many of these pieces of equipment have reached their expected lifespan and are in need of replacement.
 - We propose to replace these over a period of years with pad mount units so this will be an annual item until all units have been replaced.
- Line Extensions \$15,000
 - This is an annual item for small line extensions completed during the budget period and is treated in aggregate at the end of the fiscal year as a capital expense.
 - As we continually are required to make small capital investments in plant to provide service to new locations that total under \$5,000 we combine these jobs for the year and capitalize them at the end of that budget.
- Critical Structure Replacement \$123,000
 - Several of the critical structures that support our main feeder system are in need of replacement.
 - These poles and structures are past their life expectancy.
- Underground Installations \$50,000
 - We have been installing backyard distribution underground for several years and the program has been very successful with our customers and has reduced a significant issue for our tree trimming crews.
 - We are building these lines for 15kV, which will allow for a more efficient conversion to higher voltages in the future.
- Replace 65' bucket truck 39-09 \$290,000
 - We have our line trucks on a 10 to 12 year rotation.
 - With four trucks in the fleet we must replace a truck every 3 years to hopefully avoid the need for two trucks in the same year.
 - The time has come for the replacement of our largest bucket truck.
- Capacitor Bank Upgrades \$25,000
 - Following the recommendations of the 2016 Capacitor Placement Study by Commonwealth we plan to upgrade several capacitor controls.
 - Upgrading these controls will allow the capacitors to be automatically switched on and off as needed.
 - This improves our efficiency and lowers our purchased energy costs.
 - Three new capacitor bank locations were also recommended by this study and are planned to be added.

BPU PROPOSED CAPITAL PROJECTS 2019

FYE 2019 Proposed Electric Capital Projects - CONTINUED

- UPS Battery Replacement \$30,000
 - We have batteries at several locations that serve as backup allowing personnel to operate breakers in a power loss situation.
 - Several of these batteries are quite old and no longer provide power for their intended use.
 - This funding will be used to replace the existing batteries with new batteries.
 - 4160 to 13200 Voltage upgrade \$125,000
 - A major effort to improve system efficiency and provide a long term reduction in losses is the distribution system voltage upgrade.
 - This has been an ongoing program and we make further improvements annually.
 - All of our rural circuits have been completed and a number of areas inside of the city are in the process of changeover.
 - We plan to have engineering completed this year that will layout a roadmap for the work in the remaining areas.
 - We will be requesting funding annually until this work is fully complete.
 - Pole Condition Survey/Testing \$40,000
 - This project is planned to be a three year process to obtain the condition of our utility poles for the safety of our employees and the public.
 - We will use the results to replace the poles in the worst condition first improving the efficiency of our maintenance dollars.
 - Paint Fuel Storage Tank \$35,000
 - This funding is to repaint the large fuel storage tank at the power plant.
 - Upkeep to this tank is required by the DEQ and they have recommended it be repainted.
 - This is part of our preventative maintenance program.
 - Distribution Automation and Monitoring \$50,000
 - These dollars work to improve the distribution systems technical components.
 - The AMI(automated metering infrastructure), OMS(outage management system), fiber loop and SCADA(supervisory control and data acquisition) systems provide a multitude of readings and data points that are used for many daily tasks.
 - The more integration of these systems and shared data between programs, the more efficient and accurate the electrical system can become.
 - Sonetics Communications System \$7,000
 - This system provides a much safer solution to jobsite communications for crews in a high noise environment.
 - The system is self-contained and provides noise cancelling headsets for the crew members on a dedicated wireless channel.
- Total of Proposed Electric Projects \$815,000**

BPU PROPOSED CAPITAL PROJECTS 2019

FYE 2019 Proposed Sewer Capital Projects

• <u>ICE Grant Funds</u>	\$100,000
– These are additional funds required to fully fund the portion BPU is responsible for in the ICE grant funding of repairs to Garden, Mead, Vine and Rippon Streets.	
• <u>Engineering of HVAC Replacement Main Building WWTP</u>	\$20,000
– The HVAC unit for the WWTP main building is in need of replacement.	
– The cooling unit is not functional requiring the use of window air units to cool the Laboratory and Office areas.	
– The heat unit was repaired to get through the winter but the complete unit requires replacement.	
– These funds are for the engineering required for replacement of the HVAC system.	
• <u>North Clarifier Drive Unit Replacement</u>	\$30,000
– The sweep drive unit for the North Clarifier has been identified by the manufacturer to be beyond repair.	
– These funds would cover the cost of the replacement unit.	
• <u>I&I Reduction Manhole Rehabilitation</u>	\$50,000
– These funds would be for reducing the amount of infiltration and influent that are occurring in the sewer system due leaking lines and manholes.	
Total of Proposed Wastewater Capital Projects	\$200,000

BPU PROPOSED CAPITAL PROJECTS 2019

FYE 2019 Proposed Water Capital Projects

- Refurbish High Service Pump #2 \$13,000
 - This pump was deemed in need of service during the 2016 fall inspections but replaced by work on Well #8 in FYE 2018.
 - VFD Motor Controls for High Service Pump #2 \$15,000
 - The VFD for this unit was taken out to replace the VFD for high service pump #1 and requires replacement.
 - Automated Meter Infrastructure \$30,000
 - As part of our ongoing automated metering infrastructure we anticipate replacement of both water nodes and water meters.
 - This will give us two way communication and new highly accurate water meters.
 - These costs are in addition to the electric capital projects budget.
 - Fire Hydrant Replacement \$10,000
 - These are funds to replace the 4 oldest hydrants in the system.
 - Some of the fire hydrants were installed in the 1940s and it is time to start upgrading and replacing them.
 - Replace Water Treatment Plant Roof \$35,000
 - The roof is beginning to leak and show it's age. Roof replacement should be done before further damage to the structure.
 - Green Sand Filter Media Replacement \$80,000
 - The media will typically last for 20 years so is near the end of its life expectancy so should be replaced before it fails.
 - This includes replacement of the media and chemically cleaning any hardness deposits inside all the tanks.
 - ICE Grant Funds \$100,000
 - These are additional funds required to fully fund the portion BPU is responsible for in the ICE grant funding of repairs to Garden, Mead, Vine and Rippon Streets.
- Total of Proposed Water Capital Projects \$283,000**

BPU PROPOSED CAPITAL PROJECTS 2019

FYE 2019 Proposed Administration Projects

- Phase Two Network Upgrades \$29,300
 - Project includes a second host server, storage area network, VMware software, and Microsoft Exchange upgrades.

- Various computer Items \$9,500
 - Project includes software, computer workstation replacements, and monitors.

Total of Proposed Technical Services Projects

\$38,800

MAJOR/TRUNKLINE & LOCAL STREETS

Jake Hammel – Director

jhammel@cityofhillsdale.org

517-437-6491

Department Summary

The Public Services Department is responsible for the maintenance and repair of a large portion of infrastructure found along 18.86 miles of major streets, 3.03 miles of State trunk line, and 25.58 miles of local streets within the City of Hillsdale. These areas of responsibility include surface, right-of-way, forestry, traffic, storm drains, and winter maintenance. Maintenance tasks include street sweeping, asphalt patching, crack sealing, curb & gutter replacement, catch basin repairs, storm sewer repairs, pavement markings, tree trimming, removal and replacement, brush pickup, issuance and inspection of right-of-way permits, road condition surveys, traffic counts, snow removal, and any other work done within the street right-of-way. In addition, this department maintains a state trunk line (M-99) under a state contract where, with few exceptions, the City is reimbursed dollar for dollar for any maintenance work done along this portion of highway.

Department Goals

- An infrastructure system that is designed to be functional is well constructed and properly maintained to serve the people now and into the future.

Department Objectives

- Assist in the completion of the update process of identifying and maintaining a Capital Improvement Plan requested by City Council. Staff continues to seek grant funding for Major Streets such as we have successfully done in the past with the State of Michigan Small Urban Grant. In each of the following years up to \$375,000 was awarded to the City of Hillsdale, when combined with matching funds, allowed for the rehabilitation or reconstruction of various Major Streets: \$315,300 for a small portion of State St and storm water lift station in 2016, a large segment of State St. in 2012, \$212,200 for two blocks of E. Fayette St. [E. of Hillsdale St.] in 2010, and \$374,400 for E. Bacon St. in 2008.

Budget Summary

1. Personnel consist of 10,007 man-hours plus fringe benefits.
2. Operating expenses include supplies (asphalt, road salt, signs, etc.), equipment rental, and general maintenance activities.
3. Contractual services include lawn maintenance, tree trimming, tree removal, pavement marking, railroad signal maintenance, televising and cleaning storm sewers, traffic signal maintenance and street light maintenance and \$150,000 for 2018 street preservation.
4. Capital Outlay requests include; none.

MUNICIPAL STREETS

Jake Hammel – Director

jhammel@cityofhillsdale.org

517-437-6491

Department Summary

The Public Services Department is responsible for the maintenance and repair of 25.58 miles of local streets within the City of Hillsdale. These areas of responsibility include surface, right-of-way, forestry, traffic, storm drains, and winter maintenance. Maintenance tasks include street sweeping, asphalt patching, crack sealing, curb & gutter replacement, catch basin repairs, storm sewer repairs, pavement markings, tree trimming, removal and replacement, brush pickup, issuance and inspection of right-of-way permits, road condition surveys, traffic counts, snow removal, and any other work done within the street right-of-way. This is a new fund, created last year for the purpose of tracking street designated funding and street reconstruction projects.

Department Goals

- An infrastructure system that is designed to be functional is well constructed and properly maintained to serve the people now and into the future.

Department Objectives

- Reconstruct Garden, Mead, Vine, and Rippon Streets. The total cost of this project, including construction engineering and contingency, came in at \$2.9 Million.
- Construction is set to begin in May 2018 with an anticipated completion date by November 2018.
- 90% of the work is anticipated to be completed in the 2018-19 fiscal year.
- It is worth noting that this is an infrastructure grant, the locations were based on the need to replace utilities for public health and safety, not the condition of the streets.

Budget Summary

1. Operating expenses include supplies (asphalt, road salt, signs, etc.), equipment rental, and general maintenance activities.
2. Contractual services includes the construction costs and engineering costs for Garden, Mead, Vine and Rippon Street project.
3. This budget appropriates the \$2 million Infrastructure Capacity Enhancement (ICE) Grant received last fall through Michigan Economic Development Corporation. These funds along with funding from General Fund, the Board of Public Utilities and the Sinking Fund will be used to reconstruct Garden, Mead, Vine, and Rippon Streets. The total cost of this project, including construction engineering and contingency, came in at \$2.9 Million.

DIAL A RIDE

Jake Hammel – Director

jhammel@cityofhillsdale.org

517-437-6491

Department Summary

Dial-A-Ride provides demand-response public transportation service to City of Hillsdale residents. They transport a wide variety of people to & from school, work, appointments, shopping facilities, and various other sites located within the City limits. The system does not run regular routes, services are provided upon request between the hours of 7:15 a.m. and 4:15 p.m. Monday through Friday. The bus fleet consists of four (4) buses, with wheelchair lifts, which are purchased with federal and state grant funding. Three (3) of these buses are in use daily and one is used as a standby or back-up bus. Approximately 150 – 175 people ride our buses each day, except during the summer months of June to August, when school is not in session. Adults pay \$3.00 per ride, with children and senior/disabled passengers paying \$1.50 per ride. Dial-A-Ride is funded from federal sources (18.5%), state sources (39.1981%), fares (15.14%) and a local subsidy from general fund (27.16%).

Department Goals

- Provide safe and efficient transportation for residents of the City
- Maintain a courteous and professional attitude at all times

Department Objectives

- Maintain a well-trained courteous staff
- Increase operating revenues by 5%
- Decrease operating costs 5%

Budget Summary

1. Personnel costs cover wages and benefits for three full-time drivers and one dispatcher.
2. Operating expenses include everything essential for daily operations (supplies, fuel, parts, etc.), building utilities/maintenance, and administrative services.
3. Contractual services consist of bus repairs not done by the City mechanics as well as Mobility Management Services in partnership with Key Opportunities at no cost to the City, funded by federal and state grants.
4. Capital outlay consists of an appropriation for two new replacement buses, which will be funded through Federal and State grants.

LIBRARY

Mary Hill- Director

mhill@hillsdalelibrary.org

517-437-6472

Department Summary

The Hillsdale Community Library is dedicated to providing access to informational, educational, cultural, and recreational needs of the citizens of Hillsdale. The library is committed to achieving these goals within the context of the needs of the local community. The library cooperates with other organizations, agencies, and institutions to provide library service.

Department Goals

- To provide responsive service that meets the community's needs and interests.
- To increase staff productivity and ensure the delivery of library services to the community.
- To update and expand the library's collection both in house and electronically.
- To increase community awareness regarding the vital role of the library and all we have to offer.
- To educate the community on the challenges of funding.
- To seek funding opportunities.
- To increase programming to serve all ages and interests.

Department Objectives

- Continue to update public access computers for greater productivity and patron's ease of use.
- Provide opportunities for staff development.
- Continue to collaborate with the Woodlands Library Cooperative to offer the most up-to-date electronic material available and obtain discounts on vendor services, supplies, and MEL delivery.
- Continue to collaborate with other Hillsdale County libraries.
- Continue our Early Literacy outreach to the community.
- Continue to offer after school and summer reading activities for children of our community.

Budget Summary

1. Personnel services cover the cost of wages and benefits for one (2) full-time and nine (7) part-time employees.
2. Operating expenses include those things essential for operations such as non-print materials, supplies, staff training, and building maintenance.
3. Contractual services include payments for equipment upkeep, computer maintenance, membership payment to Woodlands Library Cooperative and service contracts for the fire alarm system, and the library automation system.
4. Capital outlay items are new book purchases, computer purchases and updating of our security cameras.

RECREATION

Michelle Loren – Director

recreation@cityofhillsdale.org

517-437-6457

Department Summary

The City of Hillsdale Recreation Department provides City and County residents with leisure and competitive recreation programs, activities, and facilities enhancing quality of life for community members. The Recreation Department serves as the events coordinator and planner for recreational programs such as baseball/softball, basketball, football, and volleyball for youth and adults. Parks programming for the various parks and outdoor facilities also falls under the scope of the Recreation Department. Mrs. Stock's Park, Owen Memorial, Sandy Beach, Cold Springs Park, Fields of Dreams, the Baw Beese Trail, and dock slips along Baw Beese Lake are some of the most frequented parks and facilities serving residents throughout the County. The Department continually works to further improve and develop each facility. While maintenance expenses fall within the Parks Maintenance Fund, the Department continues to develop ways for the facilities to generate revenues in order to offset these expenses whenever possible.

Department Goals

- Provide and develop a diverse range of quality programs and facilities to serve the community adding to quality of life in Hillsdale.
- Continually utilize and improve the community's existing resources.
- Create self-sufficiency within the park system.

Department Objectives

- Continue to improve website and social media capabilities in order to provide the community with current program and event information in order to broaden the participation base.
- Continue working with area service organization on community park renovations.
- Continue working collaboratively with community and charter schools and Hillsdale College in order to provide recreational programming for area youth.
- Organize events in parks in order to generate funds for future capital outlay and to assist in offsetting park maintenance expense.

Budget Summary

1. Department Personnel consists of one full-time director and several part-time/seasonal staff (beach staff, referees, program supervisors, officials).
2. Operating expenses include: supplies, concession supplies, dues and subscription, outside program fees.
3. Contractual services include: equipment rental, cleaning services, various maintenance.
4. One capital outlay projects is planned for this year: purchase of a soft serve ice cream machine and a slushy machine for Sandy Beach Concessions.

CAPITAL IMPROVEMENTS

Department Summary

The Capital Improvement Fund is used to account for most major capital and infrastructure improvements made in the city. The fund depends on grants or transfers from other funds (i.e. General Fund, TIFA, etc.) for revenue as it has no specific revenue source. Projects included in the Capital Improvement Plan (CIP) represent significant investments in organizational and/or community infrastructure. There will not be any impact on future operating budgets from these projects except through non-quantifiable efficiencies.

The 2018-19 presentation includes the following projects which are funded through available cash, grants and contributions and/or donations.

Capital Projects

Capital Improvement Fund (401)

Sidewalk Replacement - \$51,450

The city is looking to once again institute the sidewalk replacement program begun back in 2003. The repairs/reconstruction of the sidewalks is done on a 10-year special assessment to the property owners. The property owner pay 75% of the cost. This budget has set aside a modest amount towards this program, however the location of this work has not yet been determined. While not specifically identified as a budgeted line item, the city also has a voluntary sidewalk replacement program. If any homeowner wishes to replace their sidewalks, the city will remove the old sidewalk at no cost to the property owner and waive permit fees.

Mill Pond Dam Repair – \$45,000

This expenditure will be used to notch the top of the spillway lowering the level of the millpond, and reducing the city's risk associated with the aging structure. Ultimately, we will remove the Dam and spill way returning the river to its natural flow. This is the next step in the process of lowering the level and addressing the contaminants in the pond. The bypass pipe and control structure have been grouted shut and sealed.

Computers - \$37,000

It's been several years since the city has replaced computer hardware. This budget sets aside \$10,000 for replacing approximately seven workstations, software and monitors. It also provides for \$27,000 for phase two of the server system upgrade. This will provide the City, BPU and Library with a second host server, storage area network, as well as VMware software and Microsoft Exchange upgrades.

Mitchell Research Center - \$ 60,000

The ceiling and wall plaster has pulled away from the lathe on most of the third floor of this building. The complete stripping and replacing of the aging materials is planned, replacing the old plaster/lathe ceiling with new drywall and a fresh coat of paint. In addition, the exterior of the building has several areas where the wood has rotted due to exposure to weather conditions. These areas will be repaired/replaced and a complete repainting of the exterior wood siding, soffit and fascia is planned.

CAPITAL IMPROVEMENTS

Capital Projects

City Hall - \$47,000

It has been over 20 years since City Hall was renovated. The mortar joints have opened up or eroded away and the sealant around most of the windows is shrunken, cracked or missing. The planned work would include reseal all the protrusions through the building and remove and replace loose mortar around all brick and stone. This is the first step in stopping the moisture from entering the building that has caused the drywall to crack and paint to peel in many areas of the building. This process will pave the way for successfully repairing wall surfaces in the future.

Economic Development Corporation (EDC) - \$10,000

The EDC was incorporated in 1978 to undertake projects relative to the economic development of the City of Hillsdale. They function much the same way any private corporation does and supports a broad range of economic development activities. This appropriation will be used for branding and way-finding signage throughout the city.

Fields of Dreams Fund (408) - \$4,100

These come in from annual tournaments and field usage fees collected by the Recreation Department. These appropriations have yet to be determined.

Mrs. Stocks Park Fund (409) - \$16,500

Improvements to Mrs. Stocks Park are made possible through the continued fundraising efforts of the Mrs. Stocks Park Committee. This committee in conjunction with city staff and the Garden Club have created many beautiful gardens throughout the park. This budget continues those efforts as well as provides funding of the 2018 summer "Concerts in the Park." These concerts are provided free of charge weekly during the summer months.

Airport Improvement Fund (481)

There are no major capital expenditures planned in this fiscal year's budget. The appropriations of \$73,665 are related to fuel purchases/sales and the repayment of a loan from the State, used to construct the new apron. That project was completed last year and has already generated corporate interest in the construction of new hangers. The city recently purchased the two private hangers, placing the airport in perfect position to continue moving forward with their Airport Capital Improvement Plan.

Airport Future Plans

- The national Airport Capital Improvement Plan (ACIP) is an internal FAA document that serves as the primary planning tool for identifying and prioritizing critical airport development and associated capital needs for the National Airspace System. It also serves as the basis for the distribution of grant funds under the Airport Improvement Program (AIP). Subject to funding availability the following projects are part of Hillsdale's ACIP over the next seven or ten years:
- Construct new fuel farm.
- Construct Administration building, FBO, Terminal facility (as funds allow)
- East parallel taxiway for runway 10-28 (phase 2 design)
- East parallel taxiway for runway 10-28 construction.
- Demolish existing terminal facility.
- Construct taxiway and t-hangars.
- Demolish existing hangars.
- East parallel taxiway for runway 10-28 final phase.

	Police patrol vehicle \$35,000	Approved
	Misc. Small Equipment (TBD) \$4,000	Approved

REVOLVING MOBILE EQUIPMENT

Jake Hammel – Director

jhammel@cityofhillsdale.org

517-437-6491

Department Summary

This department consists of (2) full-time mechanics that are responsible for the maintenance and repair of more than 130 city owned vehicles and pieces of equipment from Public Services, Police, and Dial-A-Ride. In addition, this fund allocates money used for purchase of vehicles/ equipment used by the Public Services and Police departments, tools and equipment needed to maintain these vehicles, purchase of fuel used by these vehicles, maintenance of the repair facility, as well as funds for the labor costs of our mechanics. This department is self-supporting in that it generates its revenues from rent charged through the use of any equipment, interest and the sale of used vehicles/ equipment.

Department Goals

- Keep City owned vehicles and equipment in a functional and presentable condition that best represents the City of Hillsdale by repairing, maintaining, and replacing these vehicles or equipment when needed.
- Seek grant opportunities to offset the cost of replacing our aged fleet (received preliminary award for \$108,750 toward replacement of three 5-7 yard dump/plow trucks through EPA/DEQ clean diesel program)

Department Objectives

- Repair small JD tractor to maximize its remaining life
- Make body repairs on various DPS vehicles (rusted out boxes and floors)

Budget Summary

1. Personnel consist of two (2) full-time mechanics totaling 2,260 man-hours.
2. Operating expenses are supplies, equipment rental, and general maintenance activities.
3. Contractual Services includes various types of repairs, recycling of waste oil, antifreeze and tires, parts cleaner service, uniforms, and computer software (Fleet Controller) maintenance and upgrades.
4. The Capital Equipment requests for RMEF are as follows: Purchase of three 5-7 yard dump/plow trucks with the assistance of an EPA/DEQ grant covering 25% of the total cost. Purchase of one police patrol vehicle with a cost of \$35,000

MISCELLANEOUS FUNDS

Special Revenue Funds

- *Police OWI Enforcement Fund*
- This fund receives its revenues from fines paid by drivers convicted of Operating While Intoxicated (OWI). The law mandates that these funds be used to further enforce intoxicated driving laws.
- *Drug Forfeiture/Grant Fund*
- This fund is used to account for all money and property seized by police during a drug investigation. It must be used to pay expenses of processing the forfeiture and sale, as well as enhance law enforcement efforts pertaining to drug law enforcement.

Internal Service Funds

- *Public Services Inventory*
- This fund tracks the purchase and use of inventory items such as salt and asphalt. Departments purchase goods from this fund as necessary to support operations.
- *DPS Leave & Benefits*
- This fund accounts for all leave-time pay and other benefits associated with personnel in the Department of Public Safety. Operating funds for which services are rendered pay charges into this fund on a pay-for-use basis.
- *Unemployment Insurance*
- The City of Hillsdale is self-insured against unemployment claims rather than pay a third-party insurer. This fund accounts for all unemployment claims and is supported by transfers from the operating funds.

Fiduciary Funds

- *Cemetery Care*
- This fiduciary fund is primarily funded by portions of the fees charged for services at the Lakeview and Oak Grove Cemeteries. Funds are used to provide for the perpetual upkeep of the cemeteries.
- *R. L. Owen Park Memorial*
- Owen Park was created with donated funds and property and is maintained with the interest and principal in this fiduciary fund.
- *Stock's Park Perpetual Maintenance*
- A citizen initiative group has worked to raise money to renovate Mrs. Stock's Park. In 2006 this committee received designated donations for the expressed purpose of establishing an endowment fund to help with future maintenance costs of this park. The earnings from these investments will be used to maintain the park.

ECONOMIC DEVELOPMENT CORPORATION

Kelly Lopresto – Staff Liaison

klopresto@cityofhillsdale.org

517-437-6479

Department Summary

The City of Hillsdale Economic Development Corporation (EDC) was incorporated in 1978 to undertake projects relative to the economic development of the City of Hillsdale. The EDC can function much like any private corporation and may make loans, grants, transfers, or conveyance of funds and property; it may create subsidiary neighborhood development corporations; it may receive funds and property. EDC funds may be used to support a broad range of economic development activities. The EDC currently owns Three Meadows Subdivision and takes an active role in the oversight of the Hillsdale Manufacturing and Technology Park.

Department Goals

- Attract new business to the Hillsdale Manufacturing & Technology Park
- Promote further development of Three Meadows Subdivision
- Encourage economic development and community revitalization activities
- Provide support for existing, expanding, or new businesses
- Market the City of Hillsdale as an attractive place to live, work, and play
- Provide support for workforce training

Department Objectives

- Promote the new fiber optic network that makes Hillsdale one of the best connected communities in the country.
- Populate vacant buildings and reduce the number of obsolete properties.
- Pursue funding opportunities for site assessment and remediation of contamination at industrial facilities.
- Work with the City of Hillsdale Office of Economic Development in the implementation of business retention and attraction plans and marketing strategy.
- Partner with other organizations and institutions such as the Tax Increment Finance Authority (TIFA), the Hillsdale City Planning Commission, the Michigan Economic Development Corporation (MEDC), Hillsdale College and Jackson College in marketing and promotion efforts for the City of Hillsdale.

Budget Summary

1. There is no personnel budget within this fund.
2. Operating expenses include fees for permits, applications and real estate transactions along with marketing expenses and materials.
3. Contractual services include legal, engineering, marketing and planning work necessary to encourage development activities and marketing efforts.
4. Capital Outlay includes branding and way finding opportunities.

TIFA

Alan Beeker – Staff Liaison

abeeker@cityofhillsdale.org

517-437-6449

Department Summary

The City of Hillsdale Tax Increment Finance Authority (TIFA) was established in 1984 to facilitate the redevelopment, re-use and economic viability of Downtown Hillsdale. Financing for projects within the approximate 22 block TIFA district is derived from incremental property taxes that are in excess of a base year amount set when the district was established in 1984. These revenues can only be expended on projects within the geographical boundaries.

Department Goals

- Prevent the further deterioration of the infrastructure within the TIFA district.
- Prevent the further deterioration of the building stock within the TIFA district.
- Encourage building preservation and rehabilitation in keeping with the historic character of the TIFA district, especially the downtown area.
- Encourage economic development of the TIFA district.
- Provide entrepreneurial support for existing, expanding, or new businesses.
- Market the TIFA district as an attractive place to live, work, and play.

Department Objectives

- Provide funds for the acquisition of buildings in order to facilitate redevelopment.
- Continue financial support for long-term infrastructure improvements.
- Encourage the rehabilitation of the building facades through the TIFA Façade Improvement and Historic Building Improvement/Special Project Programs.
- Encourage new full-service restaurants in the downtown through the Restaurant Attraction Program.
- Encourage new businesses to locate in the downtown through the Business Attraction Programs
- Encourage existing businesses to expand through the Business Expansion Program.
- Seek out and apply for funding opportunities that support economic development activities, such as the MEDC Community Assistance programs and the CDBG Blight Elimination program. Develop targeted marketing programs for specific businesses desired in Hillsdale's downtown that would be an asset to the TIFA district.
- Support local beautification, marketing and promotional efforts.
- Implement the projects outlined in the Placemaking Study.

TIFA

Budget Summary

1. There is no personnel budgeted within this fund.
2. Staff from the Planning Office provides support for TIFA.
3. Operating expenses include beautification supplies and meeting expenses.
4. Contractual services include legal services, economic development consultant, marketing expenses, business startup and expansion through forgivable loan programs and building improvements through the façade grant and historic building programs.

“LONG-TERM” DEBT SERVICE

The City of Hillsdale maintains a fairly low debt service relative to the total budget, issued primarily for capital projects such as water and sewer improvements, expansion of the Industrial Park, operating equipment and infrastructure improvements. The City prefers to use dedicated funds to support debt service rather than relying on general obligation debt. State law does not allow the City to issue general obligation debt in excess of 10% of the State Equalized Value (SEV), or \$ 15,129,380 for 2018. There is no limit on other types of debt . These other debts are financed through specific revenues such as water and sewer rates or direct charges to individual recipients of services such as special assessments. Debts with dedicated financing sources are not counted against the 10% of State Equalized Value (SEV) limit. Debt service payments for all types of debts in Fiscal Year 2018-19 equal \$918,508.

Purpose	Principal	Interest	Fiscal Year Total
Capital Lease Agreement—Electric Meters & AMI System	\$203,664	\$23,072	\$226,737
Installment Purchase Agreement—Vactor Truck	\$74,558	\$6,298	\$80,856

FINANCIAL POLICIES

Balanced Budget Policy

The City of Hillsdale operates under the fundamental principle of a balanced budget for all funds. This means that projected expenditures match projected revenues. Occasionally a fund will have projects that take more than one year to complete or are accumulating funds to be spent at a later time. In these cases, expenditures and revenues would not be equal. In years where expenditures were larger than the revenues, a decrease in that fund's unrestricted fund balance would occur. In years when revenues were larger than expenditures, an increase would occur in the fund balance.

Any year-end operating surpluses revert to unappropriated balances for use in maintaining reserve levels set by policy.

Budget Document Policy

The operating budget shall serve as the annual financial plan for the city. The budget shall provide staff the resources necessary to accomplish City Council determined goals and objectives.

The City Manager shall annually prepare and present a proposed operating budget to the City Council no later than the first Council meeting in April; a public hearing shall be held in May; and the budget shall be approved at the first Council meeting in June.

Budget Control and Accountability Policy

The City will maintain a budgetary control system to ensure adherence to the budget and will prepare monthly reports comparing actual revenues, and expenditures to budgeted amounts.

Budget accountability rests primarily with the operating departments of the City and their expenditures will be monitored on a monthly basis to ensure conformity to budgets and decide on actions to bring the budget into balance, if necessary.

The annual budget will provide for adequate maintenance and replacement of capital assets.

The Enterprise Funds shall be supported by their own rates and not subsidized by the General Fund.

Fund Balance Reserve Policy

In October 1992 City Council passed a motion that set the desired fund balance in its General Fund at 15% of revenues. The purpose of this motion is to insure that the City has adequate reserves on hand should unexpected circumstances require expenditures of an emergency nature.

Accounting, Auditing, and Financial Reporting Policy

The City of Hillsdale will have an independent audit performed annually. The auditing firm will produce comprehensive annual financial reports in accordance with Generally Accepted Accounting Principles (GAAP), the body of accounting and financial reporting standards, conventions, and practices that have authoritative support from standard setting bodies such as the Governmental Accounting Standards Board (GASB) and the Financial Accounting Standards Board (FASB).

Cash Management Policy

The City of Hillsdale has set numerous cash management policies in place to secure appropriate depositories; ordering and purchasing procedures; bid requirements;

payroll and disbursement regulations; and infrastructure replacement guidelines. Many of these cash management policies are mandated by the charter, local ordinance, and/or state law.

Investment Policy

This policy applies to all financial assets of the City of Hillsdale except pension funds. The surplus funds of the City shall be invested in accordance with State of Michigan laws, policies, and written administrative procedures. It is the City's intention to provide safe, diversified, liquid investments that will provide the maximum rate of return possible while meeting its daily cash flow demands.

Debt Management Policy

Although there is no formal written debt management policy, the City of Hillsdale's Council has unofficially adopted the philosophy of "pay-as-you-go." For the past decade or more, the City Council has been unwilling to borrow money for major infrastructure projects. Rather than incurring large debts that need to be repaid, limiting future capital projects, the Council has chosen to fund these projects from existing cash supplies and grants as they become available. Consequently the City's debt as a percent of SEV is only .62%, with the bulk of that utility revenue bond debt.

Capitalization Policy

This policy is a guideline for management used to track and report fixed assets. Any individual item purchased for \$5,000 or more with a useful life of two or more years is recognized as a fixed asset and is capitalized.

GLOSSARY

A

Accounting System: the total set of records that are used to record, classify, and report information on the financial status and operation of an entity.

Accrual Basis of Accounting: basis of accounting that records the financial effects of transactions and other events that have cash consequences in the periods in which those transactions or events occur rather than only in the periods in which cash is received or paid by the enterprise.

Adopted Budget: a budget that has been approved by the City Council.

Adoption: the formal action taken by the City Council to authorize or approve the budget.

Allocation: the distribution of available monies, personnel and equipment among various City functions.

American Recovery & Reinvestment Act 2009 (ARRA): On February 17, 2009 President Barack Obama signed the ARRA of 2009. This act is an unprecedented effort to jumpstart our economy, create or save millions of jobs, and put a down payment on addressing long-neglected challenges so our country can thrive in the 21st century. ARRA is an extraordinary response to a crisis unlike any since the Great Depression. With much at stake, the Act provides for unprecedented levels of transparency and accountability so that you will be able to know how, when, and where your tax dollars are being spent. Spearheaded by a new Recovery Board, this Act contains built-in measures to root out waste, inefficiency, and unnecessary spending. This website,

Recovery.gov, will be the main vehicle to provide each and every citizen with the ability to monitor the progress of the recovery.

Annual Budget: an estimate of expenditures for specific purposes during the fiscal year and the proposed means (estimated revenues) for financing those activities.

Appropriation: an authorization made by the legislative body of a government that permits officials to incur obligations and to make expenditures of governmental resources.

Assessed Value: a valuation set upon real or personal property by the City Assessor as a basis for levying taxes.

Audit: a study of the City's accounting system to ensure that financial records are accurate and in compliance with all legal requirements for the handling of public funds, including State law and the City Charter.

B

Bond: a written promise to pay a specified sum of money (principal or face value) at a specified future date (maturity date) along with periodic interest paid at a specified percentage of the principal (interest rate). Bonds are used typically for long term debt.

Budget (Operating): a plan of financial operation embodying an estimate of proposed expenditures for a given period of time and the proposed means of financing them.

Budget Calendar: the schedule of key dates or milestones that a government follows in the preparation and adoption of the budget.

Budget Message: a general discussion of the submitted budget and financial conditions of the City presented in writing by the City Administrator as part of the budget document.

C

Capital Budget: a plan of proposed capital expenditures and the means of financing them. The capital budget is enacted as part of the annual budget, which includes both capital operating and capital outlays. The capital budget is based on the Capital Improvement Program (CIP).

Capital Improvement Program (CIP): a plan for capital expenditures to be incurred each year over a fixed period of years setting forth each capital project, the duration of the project and the amount to be expended each year in financing those projects.

Capital Outlay: the purchase of items that cost over \$1,000 and have a useful life of more than one year.

Cash Basis of Accounting: records all revenues and expenditures when cash is either received or disbursed.

Cash Flow Budget: a projection of the cash receipts and disbursements anticipated during a given period.

GLOSSARY

D

- Department: an organizational and/or budgetary unit established by City Council to carry out specified public services and implement policy directives.
- Depreciation: the portion of the cost of a fixed asset (i.e. a car or treatment plant) charged as an expense during the fiscal year. Eventually the entire cost of the fixed asset will be charged off as an expense.
- Direct Expenses: expenses specifically incurred as the result of providing a product or service (e.g., labor and material used).
- Disbursements: funds actually expended.

E

- Economic Development Corporation (EDC): is a component unit of the City chartered by the Council to enhance commercial and industrial development.
- Encumbrance: an obligation in the form of a purchase order, contract or salary commitment that is chargeable to an appropriation, and for which part of an appropriation is reserved. These obligations become disbursements upon payment.
- Enterprise Funds: a fund established to account for operations that are financed and operated in a manner similar to private business enterprises. The intent is that the full costs of providing the goods or services be financed primarily through charges and fees, thus removing the expenses from the tax rate.

- Expenditures: the amount of money, cash or checks actually paid or obligated for payment from the treasury.

F

- Fiscal Year: a twelve month period for which an organization plans the use of its funds. In Hillsdale, the fiscal year is July 1 to June 30.
- Fixed Charges: expenses that are generally recurring and constant.
- Full-Time Equivalent (FTE): the amount of funding budgeted for a particular position; expressed in fractions of one year.
- Fund: a set of interrelated accounts which record assets and liabilities related to a specific purpose. Also, a sum of money available for specified purposes.
- Fund Balance: the excess of an entity's assets over its liabilities.

G

- General Fund: the major municipally owned fund which is created with city receipts and which is charged with expenditures from such revenues.
- General Obligation (G.O.) Bond: a type of bond that is backed by the full-faith, credit, and taxing power of the city.
- Goal: a broad statement of direction or purpose. A goal is general and often timeless in nature.

- Grant: a contribution of assets by one governmental unit or other organization to another. Typically, these contributions are made to local governments from the State and Federal governments. Grant monies are usually dedicated for specific purposes.

I

- Infrastructure: Vital facilities such as roads, sewers, bridges, waterlines, public buildings, parks, airports, that are fixed in location.
- Intergovernmental: revenue from another governmental agency such as the State of Michigan or the Federal government. Some revenues from local units are treated as charges for service.
- Internal Transfers: payments from one administrative budget fund to another which result in the recording of a receipt and an expenditure.
- Internal Service Fund: centralized services that serve all or many funds are established in separate funds. The other funds are charged a fee for the services provided by the internal service fund.

GLOSSARY

L

- Local Development Finance Authority (L.D.F.A.): Public Act 281 of 1986, as amended, allows a city, village, or urban township to utilize tax increment financing to fund public infrastructure improvements. The tool is designed to promote economic growth and job creation. The City of Hillsdale established an LDFA that encompasses a majority of the industrial park in 2006.
- Liability: debt or other legal obligation arising out of transactions in the past which must be liquidated, renewed or refunded at some future date.
- Longevity: monetary payments to permanent full-time employees who have been in the employ of the City for a minimum of one year.

M

- Millage: rate used in calculating taxes based upon the value of the property (SEV), expressed in mills per dollar of property value.
- Materials & Supplies: includes chemicals, office supplies, postage, repair parts, and inventory purchases.
- Modified Accrual: basis of accounting for all governmental funds and expendable trust and agency funds under which revenues are recorded when they become measurable and available. Expenditures are recorded when the liability is incurred, except for interest on general long-term obligations which is recorded when due.

O

- Objective: desired output oriented accomplishments, which can be measured and achieved within a set time period. Achievement of objectives advances the organization toward a goal.
- Operating Budget: authorized expenditures for on-going municipal services (e.g., police and fire protection, street maintenance, etc.)
- Operating Expenses: an expenditure group that includes materials and supplies, charges, equipment and other miscellaneous expenses.
- Ordinance: a law set forth by a governmental authority; a municipal regulation.

P

- Payment in Lieu of Taxes: (PILOT) contributions paid to the local governing unit instead of a property tax.
- Payroll Fringes: the cost of employee benefits including insurances, retirement, uniforms etc.
- Per Capita Cost: cost expressed as an amount per city resident.
- Personnel Services: expenditures that represent the cost of salaries and wages and related benefits.
- Policy: a definite course of action adopted after a review of information and directed at the realization of goals.

- Position: a position is present if an employee is permanent and their duties have been authorized by the City Manager or City Council.
 - Priority: a value that ranks goals and objectives in order of importance relative to one another.
 - Procedure: a method used in carrying out a policy or plan of action.
 - Program: collections of work-related activities initiated to accomplish a desired end.
 - Property Tax: a tax levied on real estate as well as commercial and industrial personal property based on the value of the property as determined by the SEV.
 - Proposal A: a 1994 Michigan property tax initiative that limits increases in the taxable value assessments on properties to the rate of inflation unless title is transferred.
 - Purchase Order: an authorization and incurrence of debt for the delivery of specific goods or services.
- ## R
- Recommended Budget: the proposed budget that has been prepared by the City Administrator and forwarded to the City Council for approval.
 - Reimbursements: fees received as payment for the provision of specific municipal services.

GLOSSARY

- Reserves: an account used to indicate that portion of fund equity which is legally restricted for a specific purpose or not available for appropriation and subsequent spending.
- Revenue: additions to the City's financial assets (such as taxes and grants) which do not, in themselves, increase the City's liabilities or cancel out a previous expenditure.
- Revenue Bond: a bond that is backed by a particular revenue source such as water user fees.
- Revenue Sharing: State distribution of monies raised through State Sales, Income and Single Business Taxes to local governments.
- Right-of-Way: land dedicated for public use that is primarily for the distribution of infrastructure, i.e. water, sewer, roads, lights, cable (usually 66 feet in width).

S

- Special Revenue Funds: a fund used to account for the revenue and expenditure of special earmarked or legally restricted monies.
- Shared Revenue: money coming into a fund (other than a transfer) such as taxes, user fees, grants, fines and any other source of money.
- Special Assessment: a compulsory levy made against certain properties to defray all or part of the cost of a specific capital improvement or service deemed to benefit primarily those properties.

- State Equalized Valuation (SEV): the value placed on a piece of real or personal property as certified by the State. The value is 50% of market value.

T

- Tax Increment Financing Authority (T.I.F.A.): a component unit of the City that has the responsibility of improving a designated district with revenue generated by the increase value in SEV reserved to pay for certain capital projects within the district.

- Tax Levy: the total amount of revenue raised from general property taxes.

- Taxable Value: the value of real property used to calculate property taxes under the provisions of Proposal A which limits increases in assessments as well as increases in taxes levied upon individual properties.

- Tax Rate: the amount of tax levied for each \$1,000 of assessed valuation which is often called a millage rate.

- Transfer: a transfer is movement of money or assets from one fund to another that is not a payment for service. Sometimes a transfer is one fund subsidizing another fund.

- Trunkline: the State Highway M-99 that goes all the way through the City.

U

- User Fee: revenue paid by a party directly benefiting from the use or receipt of a public service.

Z

- Zoning Board of Appeals (ZBA): refers to the board that governs the City's zoning ordinance.
