**FROM:** Anton Schauerte, Principal Transportation Planner  
**RE:** Approval of FY 2023-2026 Transportation Improvement Program (TIP)  
**DATE:** July 14, 2022

---

Since the R2PC Executive Committee meeting occurred on June 9<sup>th</sup>, the Active Jackson Coalition (AJC) submitted a comment as part of the Fiscal Year (FY) 2023-2026 TIP public comment period. AJC requested that in future TIPs (beginning with the FY26-29 TIP), consider funding projects that build regional connections without the use of a car. On June 15<sup>th</sup> and June 16<sup>th</sup>, R2PC staff presented this comment, in addition to all updates to the DRAFT document to the JACTS TAC and Policy committee. JACTS TAC and Policy approved the document at the June meetings.

At the July 14<sup>th</sup> R2PC Full Commission meeting, R2PC staff will be seeking approval of the document. Included on the following pages of the packet are both the AJC comment and a listing of the all changes to the document since it was originally published on April 28<sup>th</sup>, 2022.

Thank you,  
Anton Schauerte

FY 2023-2026 Transportation Improvement Program (TIP) \*\***

June 14, 2022

Hello:

Thank you for the opportunity to comment on the JACTS Transportation Improvement Program (TIP) for Fiscal Years 2023-2026. As a pedestrian and non-motorized advocacy group, the Active Jackson Coalition is a group of community leaders and citizens working towards making Jackson County, MI, more walkable, bikeable, and accessible to all.

In future TIPs, please consider benefits of projects that build connections around our region without the use of a car. Beyond the collection of trail extensions included in this TIP, other opportunities include:

1. Longer non-motorized trail connections between downtown Jackson and surrounding neighborhoods.
2. Dedicated pedestrian safety measures along major roadways.
3. Cyclist facilities, bike rental stations, and safety improvement plans that will promote increased trail usage.

In summary, the Active Jackson Coalition appreciates the opportunity to comment on the development of the JACTS Transportation Improvement Program for FY 2023-2026. Additionally, our agency appreciates renewed support for pedestrian and non-motorized improvements going forward.

With appreciation,

Brian Elliott, Chairperson  
Jackson County Active Jackson Coalition
