

City of Hillsdale

Announcing the start of the

ICE Grant street reconstruction of Garden, Mead, Vine, and Rippon Streets

Construction will begin on Friday, March 23, 2018 with the removal of 40 trees on Rippon Ave (in which replacement of large nursery stock will happen at the end of construction).

Please be aware of possible temporary street closures / detours during the project. The local contractor will be DuBois Trucking & Excavating who will be keeping local residents up to date on activities. Street work is expected to start approximately April 10, 2018 and continue thru the end of October 2018.

The City of Hillsdale is requesting NO Parking on these streets during this time frame. Any vehicle parked will be towed away at the owner's expense.

Any questions call (517) 437-6490
